ACKNOWLEDGEMENT

I take this opportunity to express my gratitude to Dr. S. K. Mishra, Ex Dean, Facality of Science and Principal D. B. S. College Kanpur for exposing me to the field of Lattice Vibrational Properties of H.C.P., his kind guidance and his interest without which the present work would have been impossible.

I would like to acknowledge my deep sense of gratitude to Prof. S. S. Kushwaha, Ex wise chancellor Ranchi University Ranchi, a man of spiritual personality for his soft words, continuous, encouragement, constructive critic and moral support towards throughout the work of this thesis.

I am also grateful to Dr. S. K. Saxena, Head, Shri L. N. Pandey, Dr. K. K. Srivastava and Dr. Vikas Mishra, Reader, Department of Physics D. B. S. College Kanpur.

I shall be falling my duties if I would not put own my record the laudable role played by my Senior research fellow Dr. Prakash Mishra, Sanjay Kuswaha, Chavi Tripathi for their helpful suggestions and ever smiling co-operative role.

I am thankful to my colleagues Sri Sarvesh Kushwaha and Smt Kriti Saxena of H. S. P. G. College Kanpur.

I would wish lovely thanks to my father Dr. M. P. Singh, Head of Department of Economics, Armapur P.G. College Kanpur and mother Smt Asha Singh, Sisters Raksha Singh and Aparna Singh for their encouragement inspiration, moral support and ever smiling cooperative role throughout the research.
I wish to express my deep sense of indebtedness to my wife Mrs. Laxmi Singh since the work in the present shape in due to her lively interest, constructive suggestions and all round persuasion and encouragement, she has been a perennial source of inspiration to me. Finally, I would give special debt of thanks to my lovely daughter Janvi Singh.

I am affectionately very much grateful to the library authorities of C. S. J. M. University, Kanpur, I. I. T Kanpur and H. B. T. I. Kanpur for their help my providing requisite literature for this research work.

I sincerely appreciate and thank to Anand Dubey, Shastri Nagar Kanpur, for his untiring efforts in carrying out the entire job of computer transcription, processing and skilful typing.
