

## ACKNOWLEDGEMENT

First and foremost, with due reverence and profound gratitude I acknowledge the guidance and help so often sought and generously given to me by my honourable guide Prof.Dr.V.K.Singh, Chief Scientist Cum Head, K.V.K., Bharari, Jhansi, Chandra Shekhar Azad University of Agriculture and Technology, Kanpur U.P. It has been a great privilege and pleasure to have carried out this work under such an enlightened master who possesses a phenomenal memory for remembering details and a sense of humour to live life in a witty way . It is only because of his wise counsel, unfailing interest and constant inspiration that this work could take the present shape.

I owe a deep sense of gratitude to Dr. Daulat Singh, Ex.Director of Extension C.S.A.Uni.of Ag.& Tech. Kanpur for his kind patronage and over all supervision to bring this piece of work into existence.

I am highly obliged to Dr. V.B.Singh, Associate Prof. P.G. Department of Agl. Ext., Kulbhaskar Ashram Degree College, Allahabad for his sound advice and direction.

I acknowledge the disciplined and homely affection of Dr.R.P.Singh, Prof.Training, Division of Extension, IARI, New Delhi, who infused in me the spirit and enthusiasm for completing this treatise.

I must thank Dr.A.K.Srivastva, Prof. & Head, Dept. of Statistics, K.A.D.C. Allahabad & Dr. S.M.Dingar, Associate Prof. Dept.of Plant Pathology, C.S.A. Kanpur for his kind help in data analysis.

I am greatly thankful to Dr.Y.P.Singh, Prof.& Head, Division of Extension, IARI, New Delhi for his general direction.

I am greatful also to Dr.Shree B.Mishra Prof. & Head & Dr.J.P.Srivastava, Associate Prof Dept. of Extension,K.A.D.C. Allahabad. Whose timely and appropriate criticism of manuscript

helped me a lot in achieving my target. The field staff of the Department of agriculture extended their co operation in collection of data on the problem. they interacted on several issues in sunflower cultivation with this scholar. I extend my sincere thanks to all of them.

I must appreciate the co-operation of Dr.R.S.P. Singh, Mr. S.K.Singh,Mr.A.K.singh, Mr. B.K.Singh ,P.K.Singh, D.Singh Ambuj ,Ram Krishan,Neeraj,Balwant, Satyawant, Hanumant, and all friends in completion of this work.

With high regards I express my heartfelt gratitude to my elders, Dr. V.P.Singh, Sri R.P.Singh, Sri K.P.Singh, Sri B.N.Singh, Sri Radheshyam Singh,Dr. C.R. Singh, Sri Manoranjan Singh & aunts.

I am highly indebted to my late parents Mr.Vijay Kumar Singh and Mrs. L.P.Singh & Smt. R.K.Singh for their unprecedented care affection and character building endeavors in my child hood.

I would also like to pay my most sincere thanks to my wife Mrs. Veena Singh and daughter Supriya, who have been my source of inspiration.

I humbly express my most sincere thanks to Shri Sunil Shrivastav (CEO), Shri A.K.Gupta (AO), Regional Dilseeds Growers' Co-operative Union Ltd. (NDDB Dilseeds Project) Alwar Rajasthan and Shri Neelabh Pandit, Prof.(English), Govt. Arts College, Alwar for timely help.

I must thank Mr.Abhay K. Singh, Mr. Hariom Gupta & Mr. Sanjay Adwani, who typed this thesis with a great zeal and efficiency.

Last but not the least, I must appreciate the co-operation of my respondents (Farmers, Extension Personnel and Scientists ) who have figured in this research work.
