ACKNOWLEDGEMENTS

I feel tremendously excited in recording my gratitude to my thesis supervisor, Prof. Punn yatma Singh, for his valuable guidance, immense patience and constant encouragement throughout the course of this research. Indeed, it is my privilege to work with him.

Though it is beyond the scope of acknowledgement yet I would like to express my heartfelt gratitude to Sanjay Singh, Prof. M. Prasad, Prof. Prabha Sharma, Prof. T. N. Trivedi, Dr. V. K. Pandey, Prof. R.C. Sharma for all that I have received from them by way of cooperation and patience.

My parents mummy, daddy, Mrs P. Singh, brother Deepak and Abhijeet and all my friends Dr. Pratima Agarwal, Dr. Rita Singhal, Dr. Beena Bhatia, Meera ji, Dr. Amitabh Das, Dr. H. Khan, Dr. Sudhakar, Dr. Sudheer Jain, Mini Ghosh, Dr. Manju Lata, Dr. Anu Pandey personified a constant reminder of efforts needed to complete the work in due time.

Special words of thanks go to Misra ji, Islam bhai, Beni Prasad and his group for all their help to me.
