Acknowledgement

First of all I am thankful to the almighty god. It gives me an immense pleasure to owe a debt of gratitude to my supervisor Dr. K.K. Nigam (Associate Professor, Department of Commerce, D.A.V. P.G. College, Kanpur) for his most valuable supervision and guidance that led me to give the present form to my research work.

I am extremely thankful to Dr. V.B. Dixit, Senior Associate professor of V.S.S.D. College, Kanpur for his valuable guidance.

I am equally indebted to Dr. B.N. Gupta Senior Associate Professor of V.S.S.D. College, Kanpur for his co-operation during this Endeavour and all the teachers who taught me in my P.G. Classes of P.P.N. P.G. College, Kanpur.

I am also thankful to all the dealers of Automobile Companies like My Car, KIL Chunniganj, KIL Ramadevi, Kanpur etc. I am thankful to all the associations of Automobiles compiles like SIAM who have given their valuable support in Data Collection for presentation of this thesis.

I am thankful to all the Libraries like C.S.J.M. Library, Gandhi Bhawan Library and Library of D.A.V. P.G. College, Kanpur. I am also thankful to the typist Mr. Deepak Katariya (Shri Bala Ji Graphics Raina Market Company Bagh Nawabganj Kanpur).

Last but not the least I take this opportunity to express my respect and regards to My Parents, my Elder Sister Mrs. Aarti Mishra, My Brother in Law Mr. Rahul Mishra and All my Friends who had shown boundless affection and patience and have contributed a lot to my progress.
