

ACKNOWLEDGEMENT

The research would not have been possible without the help of several individuals who contributed and extended their valuable assistance in the completion of this work. First and foremost, my utmost gratitude extends to **Dr. V. Kavitha**, Associate Professor, Department of Computer Science and Engineering, University of College of Engineering, Nagercoil, whose sincerity and encouragement has been my inspiration as I overcame all the hurdles and obstacles in the completion of this research work. She has always been patient and encouraging in-terms of new ideas and difficulties. Her guidance helped me in all the times of research and writing of this thesis.

My special thanks to **Dr. K. Muneeswaran**, Professor & Head, Department of Computer Science and Engineering, Mepco Schlenk College of Engineering, Sivakasi and **Dr. P. Yogesh**, Associate Professor, Department of Computer Science and Engineering, College of Engineering, Anna University, Chennai for their moral support and steady encouragement.

My personal and sincere thanks to my brother **Mr. M. Natraja**, Architect, Siemens (Germany), for his continuous support in my research work. He helped me resolving issues in my work with patience, involvement and immense knowledge. I could not have imagined having better advisor for my research work.

I would like to thank my father **Mr. G. Sundararajan** and my mother **Mrs. Aruna Sundararajan** for their infinite support and blessings throughout my research work. Finally I would like to thank my husband **Mr. G. Kamalrajesh**, Delivery Manager, TCS, Chennai and my daughter **G.K.Aradhana** who stood by me throughout my research period.
