ACKNOWLEDGEMENTS

It gives me immense pleasure to express my deep sense of gratitude and indebtedness to Dr. S. Kandaswamy, Principle acoustic consultant, P.S.Subramanian Associates for his very valuable guidance. His constant encouragement, moral support, affectionate relationship and unreserved co-operation helped me to complete this research work.

I am extremely thankful to Dr. R. Annadurai, Professor and Head of Department of Civil Engineering for the timely help and fruitful suggestions in carrying out the research work.

I express my sincere thanks and gratitude to Dr. P. Suresh Kumar former Assistant Professor of Department of Civil Engineering, for his constant source of encouragement throughout the work. The motivation he gave me has been the main guiding force behind this work.

I am thankful to Dr. Monsingh D Devadas, Dean, School of Architecture and planning, Anna University and Dr.Lakshmipathy, for suggestions during the course of my research

I also take this opportunity to thank Mr. H. Venkata Ganesh, the Managing director of Adams technologies Pvt Ltd, Chennai for providing me instrumentation facilities for the experiments.
I express my sincere thanks and gratitude to Mr. T. Sukumar, Architect, for his constant support of encouragement and providing land space for developing testing facility. The motivation he gave me has been the main guiding force behind this work.

I am thankful to my colleague research scholar and Dr. K. Gunasekaran, SRM University, for his invaluable support during the course of my research work.

I am very grateful to Mr. P. S. Subramanian of P.S. Subramanian associates, Chennai for providing me the opportunity to work with ODEON package.

I am thankful to Sankarakrishnan of M/s. Kutty Flush Doors Ltd., for fabricating the acoustic doors for transmission loss suite.

Special thanks to the staffs of M/s. P.S. Subramanian Associates: Hari, Gopinath and Siva who assisted me in conducting the experiments.

Special thanks to my wife Mrs. S. Devi who helped me with drawings and proofreading of the manuscripts.

I express my heartfelt gratitude to my parents Mr. M. Parasuraman, Mrs. P. Geetha and my brother Mr. P. Madhankumar for having encouraged me to study.

I am thankful to one and all who have contributed to my study directly and indirectly for successful completion of this work.
