ACKNOWLEDGMENT

I wish to place on record my deep sense of gratitude to my supervisor, **Dr. S. Iniyan**, Department of Mechanical Engineering, Who has been more than a friend, philosopher and guide to me. But for his constructive guidance, inspiration and support, this work would not have been possible. My sincere thanks are also due to my other committee members **Dr. Anand A. Samuel** and **Dr. R. Saravanan**, whose spontaneous assistance and encouragement have been invaluable.

I am deeply indebted to **Dr. D. Mohan Lal**, for his financial support, which enabled me to complete this work successfully. He has also been a great source of inspiration to me.

My grateful thanks are due to **Dr. G. Thanigaiyarasu**, Professor and Head, Department of Mechanical Engineering, for making available the facilities required for carrying out this research work.

Special mention must be made to my wife, **Ambika Meena** and my Parents **Mr. P.T.Rajasekaran** and **Mrs. R.Chittu**, whose love and understanding have gone a long way in the successful completion of this work.

Last but not the least, I am immensely grateful to all my colleagues, and the staff and students of R&AC Laboratory, especially **Mr. Parameshwaran**, for their unstinted co-operation, support and assistance.
