ACKNOWLEDGEMENT

I am very much thankful to my mentor, **Dr. K. Sundar**, Professor and Head, Department of Biotechnology, Kalasalingam University, Krishnankoil for suggesting this problem, his expert guidance, constructive criticism, keen interest and his enthusiastic support shown throughout my project work.

I express my sincere and respectful regards to “Kalvivallal” Thiru **T. Kalasalingam**, Chairman, A.K. group of Institutions and ‘Ilayavallal’ **Mr. K. Sridharan**, Chancellor, Kalasalingam University for providing necessary facilities in carrying out this work.

I am thankful to **Dr. S. Saravanasankar**, Vice Chancellor, Kalasalingam University for permitting me to carry out this work at the Department of Biotechnology.

I express my sincere thanks to Dr. H. Nellaiah, Dr. K. Palanichelvam, Dr. T. Kathiresan and Dr. A. Muthukumaran for their critical comments and enthusiastic support during the preparation of the thesis.

**Dr. B. Balamurugan**, Ms. V. Anbini, Ms. B. Vinobiah, Ms. G. Nadana Raja Vadivu, Ms. V. ArunaJanani and Ms. J. Christina Rosy of the Department of Biotechnology, Kalasalingam University are acknowledged for their helpful suggestions during the course of this work.
The enthusiastic help and suggestions of Dr. A. Manohar, Associate Professor, Department of Chemistry, Kalasalingam University in IR studies is gratefully acknowledged.

I express my sincere thanks to Dr. S. Balamurali, Professor and Head, Department of Computer Applications, Kalasalingam University for their critical comments and enthusiastic support during the preparation of the thesis.

The kind support and suggestions given by Mr. R. Haribalaganesh, Mr. M. Manikandan and Mr. V. Deepak, Research Scholars of the department during the course of the study and in the final preparation of the thesis is greatly appreciated.

My regards are due for Dr. P. Bharathidasan, Professor and Head, Dept. of Pharmaceutics, Mr. N. R. Livingston Raja, Assistant Professor, Dept. of Pharmacology, Arulmigu Kalasalingam college of Pharmacy, Krishnankoil for their support and help in carrying out the Pharmacological work in their institution.

I express my sincere thanks to Mr. R. Kalirajan, M.Pharm. Professor, Dept. of Pharmaceutical Chemistry, J.S.S College of Pharmacy, Ooty, for his valuable help and suggestions offered during the IR studies.

I take this opportunity to express my sincere thanks to all my batch mates, Mr. R. Kasimani, Mrs. L. Muthulakshmi, Mr. S. RamkumarPandian, Mrs. L. Harini,
Mr. B. Karthikeyan, Ms. M. Ajitha and Mr. C. Mariappan, Research Scholars of the Department of Biotechnology, Kalasalingam University for making this experience a memorable one.

I express my sincere thanks to Mr. P. Bharath and Mr. B. Ramar, Administrative Staff of the Department of Biotechnology, Kalasalingam University for their help during the course of the study.

The constant support of my family is recognized with gratitude.

Lastly, but not the least, the sacrifice made by the animals during the course of my study will not be a waste as this study will be helpful in uplifting the mankind.
