The author wishes to express his sincere appreciation and gratitude to Dr. K. R. Khanna, M.Sc., Ph.D., Scientist-in-charge, Plant Breeding Laboratory, National Botanic Gardens, Lucknow for inspiring guidance and untiring supervision.

Grateful appreciation is made of Dr. T. N. Khoshoo, Deputy Director-in-Charge, National Botanic Gardens, Lucknow for encouragement and providing necessary facilities, and to the Council of Scientific & Industrial Research for financial assistance.

Grateful acknowledgement of Dr. P. N. Tiwari and Shri T. S. Rajan of Nuclear Research Laboratory, Indian Agriculture Research Institute, New Delhi for providing facilities for oil estimation.

Sincere thanks are due to Miss Jharna Gupta, Mr. Kamlesh Kumar, Mr. R. K. Verma and Mrs. Indra Tiwari for their kind co-operation, and to Mr. A. W. Faridi for typing the manuscript.

Special gratitude is due to author's parents for teaching that education is opportunity.
