ACKNOWLEDGEMENT

I wish to place on record my deep sense of gratitude to Dr. K.M. Mehata, Professor, Department of Computer Science and Engineering, Anna University, Chennai for his invaluable guidance, persistent encouragement and constant supervision throughout the evaluation of this thesis.

I profusely thank Dr. P. Narayanasamy, Head of the Department, Computer Science and Engineering and the former HOD Mrs. Dr. T. V. Geetha for their invaluable help and support during my period of research at CSE Department, Anna University. I wish to acknowledge my fellow research scholars and all the staff members of CSE Department.

It is my privilege to extend my sincere thanks to the members of Doctoral Committee Dr. C.R. Muthukrishnan, Professor, Dept of CSE, IIT, Dr. Janaki Ram, Professor, Dept of CSE, IIT Madras and Dr. V. Rhymend Utharia Raj, Professor and Director, RCC, Anna University for their timely suggestions, comments and support.

Particular mention is made by the encouragement and support given by ex Cap. V. Lakshmikantha Rao, S & C of KITS, Warangal, the Principal, Trustee and Management of Prathyusha Engineering College, Chennai, for their constant support and encouragement during this period.

I wish to thank my friends for providing their support and encouragement throughout this period and my parents and family members who have provided incredible support throughout hard times. I am extremely grateful to their untiring support throughout the years in completing the work.

N. SAMBASIVARAO
