ACKNOWLEDGEMENTS

I would like to express my profound gratitude to my supervisor Prof. P.S. Yadava, UGC- Faculty Fellow and former Head, Department of Life Sciences and former Dean, School of Science, Manipur University, Imphal for his support, guidance and encouragement throughout my research work as well as his painstaking effort in proof reading the drafts are greatly appreciated. This work would not have been possible without his patience, motivation, enthusiasm and immense knowledge. Under his guidance I successfully overcome many difficulties and learnt a lot. His unflinching courage and conviction will always inspire me in my future and hope to continue to work with his noble thought.

I am also extremely indebted to Dr. Elangbam Jadu Singh, Associate Professor, D.M. College of Science who was the source of inspiration for me and who give me moral support, valuable advice, constructive criticism and extensive discussion about my work. I also warmly thanks to Dr. Th Binoy Singh, Associate professor, Manipur University for his valuable suggestion, inspiration and kind cooperation during the course of my research work.

I extend my gratitude to Head of Department of Life Sciences, Manipur University, for providing necessary facilities to accomplish my research work.

I gratefully acknowledge and special appreciation to Salam Ibopishak and Ibetombi Salam and family for their help in carrying out the field work in remote area. Without their help it would have not been possible to successfully complete the field work. I also express my deep sense of gratitude to all the person including
the Chief of Khuthengthabivillage who willingly and selflessly help in my field work.

I express my sincere thanks to my Dr.N.Dhirendra Singh for rendering help during my research work and Dr.L.Surpriya Devi for her support and motivation.

I extend my deep sense of gratitude to Ng.Lamnganbi Devi for her help rendered to me during chemical analysis and I also thanks to all the research scholar of Ecology Laboratory specially G.Sanahal Sharma, Ch.Sanjita Devi, S. BijenMeetei and Ganashym Singh Ksh. for their valuable help, support and co-operation in the successful completion of my research work.

I am also grateful to Mr.SagolsemRobindro Singh for helping the statistical analysis of the data.

I thanksMr.MansinghKhangembam Visual Computer Service, Manipur University, Opp. Physics Department for excellent typing of the manuscript of my thesis.

Last but not the least, I would like to pay regards to my parents and all my family members for their unconditionalsupport, sincere encouragement and inspiration throughout my research work and lifting me uphill this phase of life. I owe everything to them.

I take this opportunity to sincerely acknowledge the CSIR,New Delhi for providing financial assistance in the form of Senior Research Fellowship under a research scheme to carry my research.

Amrabati Thokchom
