ACKNOWLEDGEMENT

With immense pleasure and deep sense of gratitude, I wish to express my sincere thanks to my supervisor Dr. Kittur Harish Mallikarjun, Professor, School of Electronics Engineering, Vellore Institute of Technology (VIT), Vellore, and to my research advisor Dr. R. Kumar, Professor and Head, Electronics and Instrumentation Engineering, National Institute of Technology (NIT), Nagaland without their motivation and continuous encouragement, this research would not have been successfully completed.

I am grateful to the Chancellor of VIT, Dr. G. Viswanathan, the Vice Presidents, the Vice Chancellor for motivating me to carry out research in the VIT and also for providing me with infrastructural facilities and many other resources needed for my research.

I express my sincere thanks to Dr. Kittur Harish Mallikarjun, Dean, School of Electronics Engineering, VIT, Vellore for her kind words of support and encouragement. I would like to acknowledge the support rendered by my colleagues in several ways throughout my research work.

I wish to extend my profound sense of gratitude to my parents for all the sacrifices they made during my research and also providing me with moral support and encouragement whenever required.

Last but not the least; I would like to thank my wife Kavitha and my daughter Shree Varsha for their constant encouragement and moral support along with patience and understanding.
