Acknowledgement

I feel elated in expressing my deep indebtedness to my esteemed, learned and adroit supervisor Dr. J. P. Mishra, Reader and Head, Department of Chemistry, Feroze Gandhi College, Raebareli for his proficient guidance, inspiration and keen interest throughout the progress of this research work. It was only due to his kind co-operation that this research work could take its present shape.

I am also thankful to Dr. Sheila Srivastava, Reader, Department of Chemistry, Feroze Gandhi College, Raebareli for her valuable suggestions and encouragement.

I am deeply grateful to Dr. V. P. Singh, Principal, Feroze Gandhi College, Raebareli for providing library and laboratory facilities.

I wish to express my deep sense of gratitude and respect to Dr. Pradeep Srivastava (Chem. tech. Dept., CDRJ, Lucknow) for his willingness and pains taken by him which facilitated smooth running of my academic career.

No words are available to express my profound gratefulness to my parents Mr. K. C. Mishra and Mrs. Savitri Mishra who encouraged me since childhood and whose teachings and blessings inspired me to start and successfully complete this work.

My heartfelt regards to all my family members and blissful thanks to all youngsters especially my brother Ashish Mishra for the kind helps in various ways.
Heartiest thanks to Supriya Singh and Kuldeep Roy (SRF, CDRJ, Lucknow) who really cooperate me and give mental support in all possible way to achieve my goal.

Earnest thanks are also due to my colleagues and friends Dr. Sarika Bajpai, Dr. Geeta Pandey, Shalini Singh, Parul Srivastava and Sangeeta Srivastava.

I would like to extend my thanks to all members of teaching and non teaching staff of Chemistry Department, Feroze Gandhi College, Raebareli. At last but not the least I am thankful to God for making all my efforts possible.

Department of Chemistry,
Feroze Gandhi College, Raebareli
