

ACKNOWLEDGEMENT

The completeness of this thesis, besides bringing an appreciated respite from many months of demanding efforts also provided a welcome opportunity to sincerely acknowledge the guidance, intellectual and personal support extended by many kind souls during the course of this study.

*It is my proud privilege to record my sincere thanks and humble appreciation to my supervisor, **Dr. R. K. Singh**, senior Professor and Head, Department of Biochemistry, Chhatrapati Shahuji Maharaj Medical University (formerly King George's Medical University) Lucknow, for his active interest, constant encouragement and indispensable suggestions without which this research work could not have seen the light of the day.*

*I am extremely grateful to **Dr. J.K. Saxena**, Head, Biochemistry Division, Central Drug Research Institute, Lucknow, for his guidance and healthy suggestion without which the present work would have never been accomplished.*

*I deem it a privilege to record my profound sense of gratitude to **Dr. (Mrs.) Farzana Mahdi**, Director Academics and Head, Department of Biochemistry, Era's Lucknow Medical College & Hospital, Lucknow, for financial support and encouragement in the hours of great despair and dissolution during the long journey of this academic exercise.*

*I am indebted to **Dr. C.M. Gupta**, former Director C.D.R.I., Lucknow for providing me experimental support and library facilities in his reputed Institute.*

*I am extremely grateful to **Professor S.K. Agarwal** ex-acting vice chancellor, C.S.M. Medical University, Lucknow for providing me Library and other research facilities.*

*I am very thankful to **Dr. Ajai Kumar**, Professor and Head, Department of Biochemistry, G.S.V.M. Medical College, Kanpur, for his co-operation in root selection and preparation of root extract.*

*It gives me immense pleasure to thanks **Professor Dharam Raj Singh**, Kaya Chikitsa Vibhagh, Government Ayurvedic Medical College, Lucknow who was gracious enough to accept me in his will and patiently developed my insight in the clinical trials of my research work.*

*I pay my deepest sense of regard and respect to **Dr. Ramesh Chander**, Scientist Emeritus, Department of Biochemistry, Departmental Research Laboratory, Era's Lucknow Medical College, Lucknow, for his wishes, guidance and encouragement which gave me inspiration to pursue this work.*

*I express my heartfelt gratitude to **Dr. K. Jawad**, Professor and Head, Department of Biochemistry, Rural Institute Medical Sciences Saifai, Etawah, (former Head, Department of Biochemistry, Era's Lucknow Medical College, Lucknow) for his cooperation in the starting of this academic journey.*

*I am extremely grateful to **Dr. A.K. Khanna, Dr. M.M. Khan** for his scholarly advice, unending help, friendly attitude and expert guidance throughout the period of my research that has enabled me to complete my work successfully.*

*I am extremely grateful to **Professor A.A. Mahdi**, Department of Biochemistry CSM Medical University, **Dr. A.K.
