Acknowledgement

It is indeed a cherishable moment to express my profound sense of deep gratitude to my supervisor Prof. M. Ranjit Singh, Department of Mathematics, Manipur University, Canchipur, Manipur, for his fostering, prudent guidance and valuable advice during my research tenure. Besides, I am indebted to him for imparting his expertise in preparing this thesis to be euphonious, elegant and etiquettes.

I am indebted to NBHM Library of this department for availing me the vast needful research materials.

My sincere gratitude goes to the Head, all other faculty members and ministerial staff, and especially, research scholars of this department for their kind cooperation and valuable suggestions.

I am also sincerely grateful to all my colleagues and ministerial staff of D. M. College of Teacher Education, Imphal for their kind cooperation and helps.

My heartfelt appreciation and thank also goes to my colleagues Dr Y. Mahendra Singh, Manipur Institute of Technology, Takyelpat; Dr K. Priyokumar Singh, Bodoland University, Assam; Dr Ph. Raju Singh, Moirang College, Moirang; and Ng. Sudhir Singh, Research scholar, Department of Mathematics; for their cooperation, thought sharing, support and helping hands.

Last but not the least; I pay my reverence and tribute to my beloved parents Late Laisom Kulla Singh and Late Laisom Ongbi Binashakhi Devi who are in their heavenly abode for their divine guidance. I am really grateful to all the members of my family particularly, my better half Tongbram Allen Chanu, for their never ending moral support and endeavours in accomplishing this thesis. A special “thank you” also goes to my loving children.

Laisom Sharmeswar Singh
