

ACKNOWLEDGEMENT

I have no words to express my gratitude to my revered mentor Dr. Ajai Kumar, MSc, PhD, Ph.D. (Biochemistry), Head of the Department of Biochemistry, GSVM Medical College, Shri Shahuji Maharaj University, Kanpur for his timely guidance at each of my toddling steps in the field of medical Biochemistry starting from the very beginning of my work. His unsatiated quest for knowledge has been an eternal source of inspiration to me.

I wish to express my deep indebtedness' to Prof. K.M. Singh, MS, FICS, FIMSA, FACS, MAMS, Head of Urology Unit and the Principal, K.G's Medical College, Lucknow for having guided me to complete this work and for his constant luminary guidance and perpetual stimulation towards academic pursuits, that I have received.

I consider myself fortunate to have had an opportunity to work with Dr. V.C. Pandey, Ex-Deputy Director, Biochemistry Division of Central Drug Research Institute, Lucknow for his guidance with his vast knowledge for a part of my work and to Dr. C.M. Gupta, Director, CDRI, Dr. A.K. Rastogi, Head of Biochemistry Division and Dr. Vinod Bhakuni of Membrane Biology, CDRI, Lucknow for their necessary permission to work and for their valuable help and expert guidance in their respective labs as and when required.

I would also like to express my sense of gratitude to Dr. A. Schan of Shekhar Hospital for providing all clinical & laboratory facilities including the chemical analysis of stone, Dr. Rashmi Chaturvedi, Incharge, Pathology Section and Prof. Harish Chandra for their valuable assistance to work at Shekhar Hospital as and when needed and so to the Director Incharge, K.K. Hospital and G.M. & Associated Hospital, Lucknow.

I fail in my duties if I don't express my thanks to Prof. R.C. Saxena, MD, Dip.Clin. Pharmacol. UK, MNASc, FIMSA, FIAMS, MNAMS, Ex-Director & Head, Department of Pharmacology & Incharge Clinical Pharmacology Unit, K.G's Medical College, Lucknow for his help and constant encouragement at every step to complete my work.

Thanks are due to Dr. Satyawan Singh, Head, Pharmaceutical Chemistry Division, CDRI and Dr. S.K. Nigam, Retd. Deputy Director, NBRI for guidance and literature support material.

There are many more like Late Dr. R.A. Siddique, Mr. Vijai Kashyap, Mr. Rohit Srivastava, Mr. S.K. Srivastava of KGMC and Mr. R.K. Gupta of Shekhar Hospital, Lucknow who had been assisting and helping me to complete this gigantic task of work involving experimental, clinical and laboratory work in cases of stone disorder.

The affection and support of my respected parents especially my mother Mrs. Meenakshi, my sisters Ms Nidhi, Ms. Chhavi, Ms. Twinkle and Ms. Neha who lifted me from the depth of despair and provided vigor to forge ahead. My friends Ms Akanksha and Ms Vartika whose moral support gave me strength to complete my work.

I greatly acknowledge with thanks to Dabur India Ltd. for the supply of some of the kits and Shilajit Capsules for the present work.

In the end I acknowledge with thanks to M/s Arun Photostat and his team for the pains taking work of typing this manuscript in a wonderful way.
