Acknowledgment

I would like to express my deepest gratitude to my supervisor Dr. Dhananjay Shaw, Department of Natural/Medical Sciences, Indira Gandhi Institute of Physical Education and Sport Sciences, University of Delhi, B-Block, Vikas Puri, New Delhi, for his excellent guidance, caring, patience and providing me with an excellent atmosphere for doing research. His perpetual energy and enthusiasm in research had motivated all his advisees, including me. I really learned many laboratory techniques, experimentations, data computations, interpretations from him and skills for writing papers. I am especially grateful to my supervisor for motivating and helping me to participate in high quality conferences, which are of great importance and useful. His truly scientific intuition has made him as a constant oasis of ideas and passions in science, which exceptionally inspired and enriched my growth as a student and a researcher. As a result, my research life became smooth and rewarding for me.

I would also acknowledge my advisory committee members Dr. J.P Sharma (Associate Professor, IGIPRESS), Dr. Rajbir Singh (Associate Professor, IGIPRESS) and Dr. Taraknath Pramanik (Assistant Professor, IGIPRESS) for their helpful suggestions and constructive comments during my progress report presentations. I am thankful that in the midst of all their activity, they accepted to be members of the advisory committee.

I would like to acknowledge all the teaching staff, non-teaching staff, library staff and the research scholars of Department of Physical Education and Sports Sciences for their support and assistance since the start of my B.Sc. (PE, HE and SS) in 2002 and till now.

My special acknowledgements goes to all those people (subjects) who made possible the difficult task of ‘Training and Data Collection’ for my experiments and acted unconditionally throughout the study and tirelessly rendered their support to pioneer my research work. I also gratefully acknowledge the institutional support that I have received while working on this project. I owe a great deal of appreciation and gratitude to Sister Bk. Usha (Head), Sister Bk. Bindu (Asst. Head) of Gyan Mandir Jaitpur, Badarpur for helping me to carry out my research work at their centre. My warm appreciation is due to all the sisters (members) of that centre.

Dr. Jaya (Yoga Expert) deserves my sincere expression of thanks for providing me experimental hands-on-training on different aspects of Yoga. I feel highly indebted to Ms. Monika Goswami for her assistance in training and data collection.
My family, where the most basic source of my life energy resides. I have an amazing family, unique in many ways, and the stereotype of a perfect family in many others. I thank my parents, Mr. Suresh Gupta and Mrs. Vimla Gupta, for their faith in me and allowing me to be as ambitious as I wanted. It was under their watchful eye that I gained so much drive and an ability to tackle challenges head on. My special gratitude is due to my brother (Mr. Vikas Gupta), sister in law (Mrs. Deepa Gupta), Sisters Mrs. Preeti Gupta, Ms. Shama Gupta, brother in-law (Mr. Devender Aggarwal) nephew and niece (Master Vedant Gupta and Baby Riddhi Aggarwal) for supporting me and encouraging me with their best wishes.

I most want to thank my husband Mr. Pankaj Sharma whose support, kind indulgence encouragement, quiet patience and unwavering love were undeniably the bedrock upon which the past two and half years of my life have been built. His tolerance of my occasional mood swings is a testament in itself of his unyielding devotion and love.

I would also like to show my gratitude to my in-laws, Mr. Hansraj Dutt Sharma (father in-law), Mrs. Pushplata Sharma (mother in-law), Mr. Rajneesh Sharma, Mr. Paras Sharma, Mr. Sanjeev Sharma (brothers in-laws, Mrs. Sangeeta Sharma, Mrs. Preeti Sharma (sisters in-law), nephews and nieces (Master Trijunal Parashar, Baby Arshiya Parashar and Baby Kritika Parashar) for their unending encouragement and support.

I am indebted to some of my good friends Dr. Sonia Shalini (Assistant Professor, IGIPRESS), Ms. Neeru Yadav, Ms. Madhvi Pathak, Ms. Ranjit Kaur and Mr. Ashwani Mor for their valuable help and support. My special thanks to Mr. Amit Sharma. His unconditional help, support and brotherly love has been essential all these years.

This list is incomplete without acknowledging Mr. Rajinder Malik, who was the source of inspiration for me in my early days and who taught me many things. He was always beside me during the happy and hard moments to push me and motivate me.

Finally, I would like to thank everybody who was important to the successful realization of thesis, as well as expressing my apology that I could not mention personally one by one.
