LIST OF PUBLICATIONS

National Journals

1. Sophie Beulah S. and Muthukumaran K., ‘Batch adsorption studies for the removal of Hg(II) from wastewater by using Syzygium jambolanum nut Carbon’, Asian Journal of Chemistry (Accepted for publication).

2. Sophie Beulah S. and Muthukumaran K., ‘Sorption studies of Chromium(VI) and Mercury(II) by High Temperature Activated Carbon from Syzygium jambolanum nut’, E-Journal of Chemistry, (Accepted for publication).

Publication in Proceedings of International/National Conferences

1. Sophie Beulah S. and Muthukumaran K. (2009), ‘Biosorption of Mercury(II) on Chemically activated high temperature Syzygium jambolanum nut Carbon by Column System’, Proceedings of the International Conference on Challenges in Biotechnology and Food Technology (ICBF), Annamalai University, Annamalai Nagar, p.56
