ACKNOWLEDGEMENTS

The present work was done under the supervision of Dr. D.P. Gupta, Department of Zoology, D. A. V. College, Kanpur during the year 1987 to 1991. I humbly acknowledge the help and guidance provided by Dr. Gupta and feel highly indebted to him for the inspiration given by him without which it would not have been possible to complete the work.

I am extremely thankful to the Head of the Department of Zoology and The Principal, D. A. V. College, Kanpur for providing me necessary research facilities in the Department and to Dr. P.K. Varma, Department of Zoology, D. A. V. College, Kanpur for all the help rendered to me from time to time and for the facility to use his equipments.

I also express my thanks to my colleagues Dr. Abhai Kumar Rai, Shri Rajendra Kumar Sharma and Shri Ravindra Pal Singh for their co-operation throughout the course of this work.
