ACKNOWLEDGEMENTS

➢ I immeasurably thank **ALMIGHTY GOD** who blessed me with health and confidence to undertake and complete this work successfully.

➢ Words are insufficient to express my deep sense of thankfulness to my Honorable guide, **Dr. V. Aldous J Huxley**, Lecturer, Thiru Vi. Ka Government Arts College Tiruvarur, for suggesting this particular research topic and guiding me throughout my project work with extensive discussions, dedicated and systematic scientific approach, expertise comments, constant encouragement, scholarly insight and friendly concern, which led to the fruitful completion of this thesis work.

➢ I gratefully acknowledge my Honorable co-guide, **Dr.Sasikala S.L**, for her advice, supervision, and crucial contribution, which made her a backbone of this research and so to this thesis. Her involvement with her originality has triggered and nourished my intellectual maturity that I will benefit from, for a long time to come. Madam, I am grateful in every possible way and hope to keep up our collaboration in the future.

➢ I would also acknowledge **Dr A.P.Lipton** (principal scientist CMFRI)-role model of my guide. I owe my deepest gratitude to **Dr.Joseph selvin** for his valuable advice and guidance during my project work.

➢ I would like to show my gratitude to **Prof. S. Vincent** for his valuable advice and guidance during my project work.

➢ I express my whole hearted gratitude to **Dr Sivaram** (PDF-Alagappa University) for his valuable advice in collection of references and using his
precious times to calculate the statistics and read this thesis and gave his critical comments about it.

Words fail me to express my appreciation to my friend Mr. Simple Lotos whose dedication, Love and persistent confidence in me, has taken the load off my shoulder. I owe him for being unselfishly let his intelligence, passions, and ambitions collide with mine.

I convey special acknowledgement to Mr. Jose and Mr. Berlin for their kind cooperation during my project work.

My special thanks to Jenila Huxley and A.S. Aldea Huxley for the encouragement and possible help throughout this study.

Where would I be without my family? My parents deserve special mention for their inseparable support and prayers. My Father, A. John, in the first place is the Person who put the fundament my learning character, showing me the joy of intellectual Pursuit ever since I was a child. My Mother, Radha B. S, is the one who sincerely raised me with her caring and gently love.

I heart fully acknowledge my brother Jiju John and my sister Remya John, who were there with me in all the ways of my work.

Finally, I would like to thank everybody who was important to the successful realization of thesis, as well as expressing my apology that I could not mention personally one by one.

Jino John
