CHAPTER - 1 ............................................................................. 1-47

*Introduction*

Emotions and Intelligence Research .............................................. 2
Emotional Intelligence – The balancing of individual and organizational needs ............................. 3
Emotional Intelligence in the knowledge -based organizations .................................................. 5
Applying Emotional Intelligence as organizational Development ........................................ 6
Competencies as behavioral manifestations of Emotional Intelligence .................................. 9
Current models of Emotional Intelligence .............................................................................. 16
Ability based model .................................................................. 16
Trait based or “mixed-model” ......................................................... 17
Emotional Intelligence model of present study .................................................................. 18

*Introduction to Leadership* .......................................................... 22

Models and definitions of Leadership ............................................. 22
Trait-and behavior -based model ...................................................... 23
Contingency -based models ............................................................. 25
The interaction of leader and followers ............................................ 26
Task oriented and Socio- emotional leadership .................................. 27
Emotional Intelligence and leadership ............................................ 28
Comparison of EI abilities to Leadership traits .................................. 28
Mixed –Model EI and leadership ..................................................... 30
# Introduction to Conflict

- Definitions and Properties of Interpersonal Conflict
- The Assessment of Interpersonal conflict and Conflict Management Styles
- Models of Conflict Resolution
- Professional model
- Bureaucratic model
- Legal Model
- Alternative Dispute Resolution / Mediation Model
- Methods of dealing with Conflict
- Why does conflict occur?
- Emotional Intelligence and Conflict Management Styles

## CHAPTER -2

- Review of Related Literature
- Context of the Problem
- Current Research on Emotional Intelligence
- Emotional Intelligence and Social Intelligence
- Salovey and Mayer: An Ability model of Emotional Intelligence
- Bar-On: Mixed Model of Emotional Intelligence
- Goleman:A Mixed Model of Emotional Intelligence
- Comparing models Emotional Intelligence of Emotional Intelligence
- Emotional Intelligence in the Workplace
- Emotional Intelligence of Teams
- Emotional Intelligence, Gender and age
- Emotional Intelligence and Personality
- Emotional Intelligence with rising Leadership levels
- Emotional Intelligence across Career Arenas

Chapter 6

Summary

Emotional Intelligence model of present study

Emotional Intelligence and Leadership

Emotional Intelligence and conflict management styles
Need and significance of the study: 178
Research design: 179
Statement of the problem: 180
Definition of terms: 180
Objectives of the study: 181
Hypotheses: 182
Population and sample: 182
Delimitations of the study: 182
Instrumentation: 182
Data collection: 186
Data Analysis: 186
Main findings: 186
Managerial implications: 188
