LIST OF TABLES

Table -4.1: Descriptive Statistics of the data .........................................................118
Table -4.2: Correlation between Emotions and Intelligence and Leadership styles---------125
Table -4.3: Correlation between Emotions and Intelligence & styles of conflict management--126
Table -4.4: Correlation between Leadership styles and conflict management styles--------127
Table -4.5: Successive model for dependent variable Pioneering Leadership...............129
Table -4.6: ANOVA of Successive model for dependent variable Pioneering Leadership-----129
Table -4.7: Result of significance of regression coefficients used in the successive models----130
Table -4.8: Successive model for dependent variable Strategic Leadership..................132
Table -4.9: ANOVA of Successive model for dependent variable Strategic Leadership-------133
Table -4.10: Result of significance of regression coefficients used in the successive models---134
Table -4.11: Successive model for dependent variable Management Leadership...............135
Table -4.12: ANOVA of Successive model for dependent variable management Leadership---135
Table -4.13: Result of significance of regression coefficients used in the successive models----136
Table -4.14: Successive model for dependent variable Team Leadership........................137
Table -4.15: ANOVA of Successive model for dependent variable team Leadership.............138
Table -4.16: Result of significance of regression coefficients used in the successive models----139
Table -4.17: Successive model for dependent variable Pastoral Leadership....................140
Table -4.18: ANOVA of Successive model for dependent variable Pastoral Leadership.........141
Table -4.19: Result of significance of regression coefficients used in the successive models----142
Table -4.20: Successive model for dependent variable Encouraging Leadership...............143
Table -4.21: ANOVA of Successive model for dependent variable Encouraging Leadership-----144
Table -4.22: Result of significance of regression coefficients used in the successive models----145
Table -4.23: Successive model for dependent variable Problem solving ........................146
Table -4.24: ANOVA of Successive model for dependent variable Problem solving ..........146
Table 4.25: Result of significance of regression coefficients used in the successive models

Table 4.26: Successive model for dependent variable Asserting

Table 4.27: ANOVA of Successive model for dependent variable Asserting

Table 4.28: Result of significance of regression coefficients used in the successive models

Table 4.29: Successive model for dependent variable Avoiding

Table 4.30: ANOVA of Successive model for dependent variable Avoiding

Table 4.31: Result of significance of regression coefficients used in the successive models

Table 4.32: Successive model for dependent variable Accommodating

Table 4.33: ANOVA of Successive model for dependent variable Accommodating

Table 4.34: Result of significance of regression coefficients used in the successive models
