

ACKNOWLEDGEMENT

At this moment when I am wrapping up my Ph.D. work, I am very happy. There have been many people with me throughout the whole journey of my Ph.D. work. I would like to acknowledge all the individuals for their support and understanding.

Above all, I bow my head before Almighty 'God', without whose blessings my research work leading to Ph.D. degree would not have completed and thanks for giving me patience and strength to overcome the difficulties during this endeavor.

*I am extremely thankful to my Research Supervisor **Dr. Dharamvir Singh Ahlawat** for his expert guidance. Under his inspiration beckoning, I found myself in the position to complete my research work. His involvement in research have triggered and nourished my intellectual maturity. Their truly scientific intuitions have made me as a constant oasis of ideas and passions in science, which exceptionally inspire and enrich my growth as a student and researcher.*

*I wish to express my sincere gratitude to the Chairperson, **Prof. Parveen Agamkar**, Department of Physics, for his valuable suggestions related to research during the entire course of work. I am extremely grateful to him for showing personal interest, continuous encouragement and moral support throughout the course of my research work.*

*I am highly grateful to **Prof. Sushil Kumar**, Ex-chairperson, Department of Physics for his support motivation and guidance during the entire course of work.*

*My regard and thanks to all the faculty members **Dr. Rachna Ahlawat and Dr. Ram Mehar Singh Dixit**, Department of Physics, Chaudhary Devi Lal University, Sirsa for their kind cooperation and help in various capacities during my research period. I am also thankful to the non-teaching staff of the Department for their cooperation and help rendering throughout the course of this study.*

*I cannot forget to recall, with my heartiest regards, the never ending heartfelt stream of caring and tender love which my respected parents bestowed upon me specially my **Mother**. It is the power of their blessings which gave me courage and confidence to materialize my dreams. I would like to thank my in laws family for their co-operation and I heartily thankful to my husband **Mr. Devender Kumar** for their*

support for completion of my thesis work. Their love and encouragement light up many lonely moments in my life and have been the source of courage when I was down.

*I am really thankful to my batch mates **Ms. Saruchi, Surbhi, Minakshi, Anju, Amrik, Richa, Shishpal, Dharambir and Anjali Man** for constant support and help during my research work. I also thank to new research scholars **Ms. Rajni, Chitra, Bharti and Vijay** for their co-operation.*

*I feel obliged towards my close friends **Dr. Rachna and Dr. Geeta** who have constantly been helpful to me and have given me many unforgettable moments. **Dr. Ajay Shankar**, Department of Applied Physics, GJUST, Hisar is gratefully acknowledged for his co-operation in thesis preparation.*

I am also acknowledge to SAIF/CIL, Punjab University (Chandigarh), SAI Labs., Thapar University (Patiala) and CIL (Hisar), AIIMS New Delhi, NIPER Mohali and National Physics Laboratory, New Delhi for providing experimental facilities.

Last but not least, I am highly thankful to all well-wishers those who directly or indirectly helped me during the entire course of this investigation.

Ms. Indu Yadav
