Obtaining a Ph.D for a married man is a distant dream. It was made possible by the joyful acceptance of long and painful years of study by my beloved wife, **B.Jeyaprabha** with prayers and support. My son, **P.Lord's** and daughter, **P.Jeby** too played a supporting role along with my wife in patiently accepting the difficult moments during the course of my study. I gratefully thank them. *Praise be to God.*
