ACKNOWLEDGEMENT

I would like to express my deepest appreciation to all those who provided me the possibility to complete this PhD dissertation.

Firstly, I would like to express my sincere gratitude to my guide Prof. Dr. Subrata Mallick, Professor and Head, Department of Pharmaceutics, Siksha ‘O’ Anusandhan (Deemed to be University), Bhubaneswar, for the continuous support of my PhD study and related research, for his patience, motivation, and immense knowledge. His guidance helped me in all the time of research and writing of this thesis. I could not have imagined having a better advisor and mentor for my PhD study.

My sincere thanks also goes to Dr. Sudam Ch Si, Dean of SPS provided me an opportunity to use all required equipment and the necessary materials to complete the task.

I sincerely express my heartfelt gratitude to Professor Dr. Manoj RanjanNayak, President, Siksa ‘O’ Anusandhan (Deemed to be University) for allowing me to conduct my research work at School of pharmaceutical sciences.

I express my lots of love and affection to Dr. Sujata Mohapatra, Dr. Rajaram Mohapatra for their untiring cooperation in completion of the project.

My thanks and appreciations also go to my entire colleagues who have helped me out with their abilities in completion of the project.

Besides my guide, I would also like to express sincere thanks to the other doctoral committee members for their insightful comments and encouragement, which incented me to widen up my research from various perspectives.

I also express thanks to my fellow lab mates and students Rudra and Asirbad for the stimulating discussions, and for all the fun we have had in the last few years.

I must express my very profound gratitude to my wife and son for providing me with unfailing support and continuous encouragement throughout my working years of study and through the process of researching and writing this thesis. This accomplishment would not have been possible without them.

Finally, I thank “Saibaba” to show the way to the ladder of success.

Thank you all.
