ACKNOWLEDGEMENT

The satisfaction and joy that accompany the successful completion of any task would be incomplete without acknowledging the people who made it possible and their support had been a constant source of encouragement which crowned my efforts with success.

I express my deep sense of gratitude to my guide Dr. K B Raja, Associate Professor, Department of Electronics and Communication Engineering, Bangalore University, Bangalore for his inspiring guidance, encouragement and invaluable discussion throughout the course of my Ph.D. work. It has been an enriching experience to work with him. In fact, he has remained a source of enlightenment and inspiration to me. I am very grateful to him for giving me an opportunity to carry out my research on a fascinating field of practical interest and importance. I sincerely appreciate his deep sense of understanding, untiring enthusiasm and his patience during the completion of this thesis.

I express my sincere gratitude to my role model with regards to academic excellence and dynamic leadership, our beloved Principal, Dr. Narendra Viswanath, Global Academy of Technology, Bangalore, for his inspiration and motivation to pursue the research work.

I express my sincere gratitude to Prof. H S Manjunatha Reddy, HOD, Dept. of ECE, Global Academy of Technology, Bangalore, for his
unstinted support and encouragement throughout the course of my Ph. D. work.

I would like to express my sincere thanks to Dr. K B Chandra Sekhar, Director R & D, JNTUA, Anantapur, and Dr. M N Giriprasad, Head of ECE, JNTUA College of Engineering, Anantapur for constant support and guidance.

I would like to express my sincere thanks to Sri. S. Lepaksha, Secretary Trustee, and Sri. Venkatappa Additional Secretary Trustee, National Education Foundation, Bangalore for constant encouragement and wholehearted support.

I express my sincere gratitude to my role model with regards to academic excellence and dynamic leadership, our beloved Prof. Ramachandra Rao.

My special thanks to Kiran, Saleem S Tevaramani, Sundernag Hosamani, Geetha and Naveen Kumar C, Ravi Kumar for their support in the tenure of my research works.

I recall with sincere gratitude and appreciation to my better half Savitha B and my lovely children Kirthana R and Roank R for their love, affection, patience and sacrifice during the period of my study.

Finally, I would like to acknowledge the blessings of my beloved late parents, family members and friends for their support and cooperation to carry out my research work.
