ACKNOWLEDGEMENT

I have always valued three intangible assets in the walks of my life, namely-

The grace of God,

The blessing of the godly,

And the god will of the good.

It is my pleasant duty to express my grateful thanks to those who have extended their help in the present work.

A formal statement of acknowledgement will hardly meet the end of justice in the matter of expression of my deep sense of gratitude and obligation towards my Research supervisor Dr. Suman C. Sharma P.G. Department of Botony, Dungar College, Bikaner. I am indebted to him for his moral support invaluable help and able guidance during this research work. Which is rendered so selflessly to me and watched the progress of my work with keen interest right from the beginning even at the cost of great personal inconvenience. Without his timely help, corrective attitude, academic excellence, insight and scholarly suggestion. Without his help I would never have been complete this research work.

My special thanks to Dr. L. Karthik J.J.T University Jhunjhunu for their gracious co-operation as well as for permitting me to carry out this work and good wishes. I feel short of words to express my heart full gratitude to him.

My special thanks to my father Shri Raghuraj Singh Tomar my mother Smt. Yashoda Tomar. My Inlaws and my Mausaji Shri G.P.singh who always shared blessing, inspiration, co-operation and affection on me. Which enable me to do this work.

I am highly thankful to my husband Mr. Manish Kumar Singh (Software Engineer) for his valuable help, support, Co-operation and encouraging motivation in my whole research work.
I am very thankful to my colleague Mr. Yogesh Singh (Mechanical Engineer) for his help and co-ordination.

I am also thankful to my lovable brothers Mr. Gaurav Tomar (Mechanical Engineer) and Mr. Sourabh Tomar (Mechanical Engineer) and my Respected Jijaji Mr. Alok Kumar Singh and Didi Mrs. Charu Singh. For their guidance and encouragement.

God has been kind enough in showering his blessing and showing me the right path, last but not least I thank to my well-wisher who negotiated my way directly or indirectly towards the complete of the valuable work.
