Education takes us from cocksure ignorance to thoughtful certainty. As for a man with empty stomach, food is God, in the same way for a student with an appetite of knowledge; the sky is not the limit.

The satisfaction that comes with any successful completion of any work would be incomplete unless we mention the names of people who made it possible and whose constant guidance and encouragement served as a beam of light and crowned out efforts.

I am thankful to my parents for giving me God’s greatest gift “LIFE“ and giving me such a wonderful attitude for respecting life and the people coming through and being a bolster in the very harsh moments of life and giving me courage, support and suggesting me what I really wanted to be.

The first I would like to express my deep feeling of gratitude to my beloved Guide, Prof. (Dr.) Deepak Kumar Dash, the best example of simple living and high thinking. The simplicity of him at such a high position in the academics really inspired me a lot and the determination to do the things at its best are the qualities to be acknowledged. It is the Sir’s guidance and support that this project is completed at its level best. He taught me how to analyze the innovative things and to manage time for the best and expressed his valuable ideas and criticism on my dissertation work. He encouraged me to grow as an independent thinker.

It gives me immense pleasure to express my deep sense of gratitude & sincere thanks to Research Co-ordinator Dr. R K Jat, Dr Monalisha, of JJTU Dr. A. Maharana of Sytric Research Lab, Dr. P.K. Sahoo, Dr. D.M. Kara, Dr. L.D. Maharana, Dr. A. Pal SPS of SOA University, Odisha, Mr. S.P. Tiwari of CIP, Raipur for their support, encouragement, personal care, practical advices and inspiration.

This is a great opportunity to express my respect to Guruji Swami Sudhananda Saraswati and My Music teachers Mr Amitav Tripathi and Mrs Lata Tripathi for their support, encouragement, personal care and spiritual advices.
I would like to give hearty thanks to SBRL Bhopal for providing necessary facilities for completion of this research work.

I express my hearty and humble thanks to my Seniors Mr. Debasish Mohapatra, Mr. Manas Das, Mr. Dipankar Dey, Mr. Prabhat Kumar Jena, Mr. Santosh Panda, Mr. Ashutosh Kumar, Mr. Anil Sahu and Mr. Gyanil for their timely help, encouragement, boosting my confidences in the progress of my life.

My sincere thanks to my lovely juniors Bibhuti Bhoi, Rajib Lochan Maharana, Debasis Nayak, Surya Prasad Dora, and Promod Sahu, Rajib lochan Kara, Vibhas Kumar for their valuable suggestions, motivation, personal care and help during my work.

I would be failing in my duties if I do not thank my beloved friends for their constant support in every endeavor of mine and provided me with necessary stimulus for keeping the driving force integrated for successful completion of the work. I would like to give special thanks to my best friend Soumya Tandi, Ranjan Meher, Shakti Prusti, Santosh Nayak, Sataya Swarup, and Biswajeet Choudhury, Sekhar Suman, Trilochan Parida, Manas Panda for their inspiration, encouragement and constant support throughout. They always filled enthusiastic thinking in my mind.

I would like to thank to my dear students Vijaya, Bhumika, Premlata, Chitra for help & support.

Lastly I extend my deepest gratitude and thanks to Mama, Mami, brother Mahendra and cousin brother Ghanashyam, Lovely sisters Sasmita and my brother in law Ramesh for their personal care and help & inspiration.

I would like to give special thanks to My Dear Anupama for her motivation and during preparation of thesis.

Finally I would like to thanks to all who directly or indirectly involved in completion of this research works.

May the almighty continue to support me till the last destination of endless education.
