ACKNOWLEDGEMENTS

It is with great pleasure and pride. I express my gratitude to my thesis supervisor Dr. R. K. Saksena, Department of Chemistry, D.A-V. College, Kanpur for his inspiring guidance and kind interest. His zeal, brilliance and affectionate behaviour has helped me a great deal throughout the period of my research work.

My thanks are due to Dr. D. D. Mahajan, Chairman, Board of Studies, Kanpur University, and Head, Department of Chemistry, D.A-V. College, Kanpur for providing me necessary laboratory facilities and help.

My special thanks to Prof. Y. D. Vankar, I.I.T., Kanpur and Dr. J. S. Shukla, Department of Chemistry, Lucknow University, Lucknow, for helpful discussion during my research work.

I am very thankful to Dr. A. K. Saxena, Discipline of Biochemistry, Regional Research Laboratory, Jammu and Mr. G. B. Singh, Pharmacology Division, Central Drug Research Institute, Lucknow for doing different pharmacological screenings of the compounds.

My thanks are due to Mr. Nayab Ahmad, I.I.T., Kanpur for running infrared spectra and carrying out the microanalysis. A special word of appreciation is due to Mr. R. D. Singh, IIT-Kanpur for his elegant typing of the thesis and Mr. Gauri Singh for drawing different structures.
