ACKNOWLEDGEMENT

I express my wholehearted and sincere gratitude to my research supervisor Dr. S. Kumanan, Professor, Department of Production Engineering, National Institute of Technology, Tiruchirappalli. I am profoundly indebted to him for his constant attention at every stage of the work. His deep commitment towards research, innovative thinking and invaluable comments formed the basis for the success of this endeavor.

I thank my doctoral committee members Dr. T. Selvaraj, Professor, Department of Production Engineering and Dr. A. Noorul Haq Professor, Department Production Engineering, National Institute of Technology, Tiruchirappalli, for their valuable suggestions during the course of this research work. I owe special thanks to Dr. M. Chidambaram, Director, National Institute of Technology, Tiruchirappalli, for providing excellent research facilities in the campus. I acknowledge the help and support rendered by all the faculty members and non teaching staff in the Department of Production Engineering, National Institute of Technology, Tiruchirappalli.

I am thankful to my parents Kandhasamy and Sushila, sisters Amutha, Manimegala brother in law Gunasekaran and Ramasamy wife Kavitha for their consistent support and to my sister son Sakthi for the patience shown by them during the research.

K. RAJA
