Table 1: Number and Volume* of IPOs and SEOs ........................................... Error! Bookmark not defined.
Table 5.1: Descriptive Statistics on aggregate and quarterly IPOs and SEOs. Error! Bookmark not defined.
Table 5.2: Univariate Analysis of market timing of IPOs in different regulatory regimes... Error! Bookmark not defined.
Table 5.3: Univariate Analysis of market timing of SEOs indifferent regulatory regimes... Error! Bookmark not defined.
Table 5.4: Results of dummy regression of IPOs on the basis of regulatory regimes .... Error! Bookmark not defined.
Table 5.5: Results of dummy regression of SEOs on the basis of regulatory regimes ... Error! Bookmark not defined.
Table 5.6: Impact of market timing and market conditions on IPO activity for whole period and Regime 1 ......................................................................................................................... Error! Bookmark not defined.
Table 5.7: Impact of market timing and market conditions on IPO activity for Regime II and Regime III Error! Bookmark not defined.
Table 5.8: Impact of market timing and market conditions on SEO activity for whole time period....... Error! Bookmark not defined.
Table 5.9: Impact of market timing and market conditions on SEO activity for Regime A and Regime B Error! Bookmark not defined.
Table 5.10: Calendar-time factor regressions of IPOs for whole time period and three regulatory regimes .................................................................................................................. Error! Bookmark not defined.
Table 5.11: Calendar-time factor regressions of SEOs for whole time period and two regulatory regimes .................................................................................................................. Error! Bookmark not defined.
Table 5.12: Calendar-time factor regressions of IPOs in hot and cold periods ........ Error! Bookmark not defined.
Table 5.13: Calendar-time factor regressions of SEOs in hot and cold periods......... Error! Bookmark not defined.
Table 5.14: Calendar-time factor regressions for difference in the performance of IPOs and SEOs .... Error! Bookmark not defined.
Table 6.1: Univariate Analysis of market timing of IPOs in different types of ownership.... Error! Bookmark not defined.
Table 6.2: Univariate Analysis of market timing of SEOs in different types of ownership ... Error! Bookmark not defined.
Table 6.3: Univariate Analysis of market timing of IPOs in six major industries........ Error! Bookmark not defined.
Table 6.4: Univariate Analysis of market timing of SEOs in six major industries........ Error! Bookmark not defined.
Table 6.5: Results of dummy regression of IPOs on the basis of ownership .... Error! Bookmark not defined.
Table 6.6: Results of dummy regression of SEOs on the basis of ownership.... Error! Bookmark not defined.
Table 6.7: Results of dummy regression of IPOs on the basis of industry ...... Error! Bookmark not defined.
Table 6.8: Results of dummy regression of SEOs on the basis of industry...... Error! Bookmark not defined.
Table 6.9: Impact of market timing and market conditions on IPO activity for different ownership types

Table 6.10: Impact of market timing and market conditions on SEO activity for different ownership types

Table 6.11: Impact of market timing and pseudo market timing on IPO activity industry-wise - I

Table 6.12: Impact of market timing and pseudo market timing on IPO activity industry-wise - II

Table 6.13: Impact of market timing and pseudo market timing on IPO activity industry-wise - III

Table 6.14: Impact of market timing and pseudo market timing on SEO activity industry-wise - I

Table 6.15: Impact of market timing and pseudo market timing on SEO activity industry-wise - II

Table 6.16: Impact of market timing and pseudo market timing on SEO activity industry-wise - III

Table 6.17: Calendar-time factor regressions of IPOs for different ownership categories

Table 6.18: Calendar-time factor regressions of SEOs for different ownership categories

Table 6.19: Calendar-time factor Regressions of IPOs – Industry-wise

Table 6.20: Calendar-time factor Regressions of SEOs – Industry-wise

Table 7.1: Descriptive Statistics of Components of M/B

Table 7.2: Number, Median M/B and Mean M/B of IPOs

Table 7.3: Median and Mean M/V of IPOs using match-firm multiples

Table 7.4: Median and Mean V/B of IPOs using match-firm multiples

Table 7.5: Median and Mean M/B, M/V and V/B of SEOs

Table 7.6: The effect of mispricing and growth opportunities (based on P/S multiple) on changes in assets and expenditures in the post-issue period for IPOs

Table 7.7: The effect of mispricing and growth opportunities (based on P/EBITDA multiple) on changes in assets and expenditures in the post-issue period for IPOs

Table 7.8: The effect of mispricing and growth opportunities (based on P/E multiple) on changes in assets and expenditures in the post-issue period for IPOs

Table 7.9: The effect of mispricing and growth opportunities (based on P/E multiple) on changes in assets and expenditures in the post-issue period for SEOs

Table 7.10: Calendar time factor regressions of high vs. low mispriced IPO firms classified on the basis of P/S multiple

Table 7.11: Calendar time factor regressions of high vs. low mispriced IPO firms classified on the basis of P/EBITDA multiple

Table 7.12: Calendar time factor regressions of high vs. low mispriced IPO firms classified on the basis of P/E multiple
TABLE 7.13: CALENDAR TIME FACTOR REGRESSIONS OF HIGH VS. LOW GROWTH IPO FIRMS CLASSIFIED ON THE BASIS OF
P/S MULTIPLE .............................................................................................................. ERROR! BOOKMARK NOT DEFINED.
TABLE 7.14: CALENDAR TIME FACTOR REGRESSIONS OF HIGH VS. LOW GROWTH IPO FIRMS CLASSIFIED ON THE BASIS OF
P/EBITDA MULTIPLE ..................................................................................................... ERROR! BOOKMARK NOT DEFINED.
TABLE 7.15: CALENDAR TIME FACTOR REGRESSIONS OF HIGH VS. LOW GROWTH IPO FIRMS CLASSIFIED ON THE BASIS OF P/E
MULTIPLE ...................................................................................................................... ERROR! BOOKMARK NOT DEFINED.
TABLE 7.16: CALENDAR TIME FACTOR REGRESSIONS OF HIGH VS. LOW MISPRICED SEO FIRMS AND HIGH GROWTH VS. LOW
GROWTH SEO FIRMS ....................................................................................................... ERROR! BOOKMARK NOT DEFINED.
