

LIST OF PUBLICATIONS

Publications in International Journals

1. V. Charles, **A. Udhayakumar**, and V. Rhymend Uthariaraj, "An Approach to Find Redundant Objective Function(s) and Redundant Constraint(s) in Multi-Objective Non-Linear Stochastic Fractional Programming Problems", *Eur. J. Oper. Res.*, Vol. 201, pp. 390-398, 2010.
2. **A. Udhayakumar**, V. Charles, and V. Rhymend Uthariaraj, "Stochastic Simulation based Genetic Algorithm for Chance Constrained Fractional Programming Problem", *Int. J. Oper. Res.*, Vol. 9, No. 1, pp. 23-38, 2010.
3. **A. Udhayakumar**, V. Charles, and V. Rhymend Uthariaraj, "Stochastic Simulation based Genetic Algorithm for Chance Constrained Data Envelopment Analysis Problems", *Omega*. (Under Review)

Publication in Conference Proceeding

4. **A. Udhayakumar**, T. R. Natesan, and V. Rhymend Uthariaraj, "A Direct Method of Solving Linear Programming Problems", *Proc. 37th Annual Convention of Operational Research Society of India*, Ahmedabad, pp. 379-388, 2005.

Paper Presentation at the International Conference

5. V. Charles, **A. Udhayakumar**, and V. Rhymend Uthariaraj, "An Approach to Find Redundant Objective Function(s) in Multi-Objective Non-Linear Stochastic Fractional Programming Problems", *International Conference on Operational Research As Competitive Edge*, Kolkata, Heritage Institute of Technology, Kolkata, India, Jan. 5-7, 2007.
