List of Tables (contd.)

11. Significant Differences of Paired Means of Self Confidence at Different Time Durations Prior to Competition of Track & Field Athletes

12. Significance of Difference of Self-Confidence of Swimmers at Different Time Durations Prior to Competition

13. Significant Differences of Paired Means of Self Confidence at Different Time Durations Prior to Competition of Swimmers

14. Significance of Difference of Self-Confidence of Gymnasts at Different Time Durations Prior to Competition

15. Significant Differences of Paired Means of Self Confidence at Different Time Durations Prior to Competition of Gymnasts

16. Significance of Difference of Somatic Anxiety of Football Players at Different Time Durations Prior to Competition

17. Significant Differences of Paired Means of Somatic Anxiety at Different Time Durations Prior to Competition of Football Players

18. Significance of Difference of Somatic Anxiety of Basketball Players at Different Time Durations Prior to Competition

19. Significant Differences of Paired Means of Somatic Anxiety at Different Time Durations Prior to Competition of Basketball Players

20. Significance of Difference of Somatic Anxiety of Volleyball Players at Different Time Durations Prior to Competition

xiii
List of Tables (contd.)

21. Significant Differences of Paired Means of Somatic Anxiety at Different Time Durations Prior to Competition of Volleyball Players 91

22. Significance of Difference of Somatic Anxiety of Track & Field Athletes at Different Time Durations Prior to Competition 94

23. Significant Differences of Paired Means of Somatic Anxiety at Different Time Durations Prior to Competition of Track & Field Athletes 95

24. Significance of Difference of Somatic Anxiety of Swimmers at Different Time Durations Prior to Competition 98

25. Significant Differences of Paired Means of Somatic Anxiety at Different Time Durations Prior to Competition of Swimmers 99

26. Significance of Difference of Somatic Anxiety of Gymnasts at Different Time Durations Prior to Competition 102

27. Significant Differences of Means of Somatic Anxiety between Different Time Durations of Gymnasts 103

28. Significance of Difference of Cognitive Anxiety of Football Players at Different Time Durations Prior to Competition 106

29. Significant Differences of Paired Means of Cognitive Anxiety at Different Time Durations Prior to Competition of Football Players 107

30. Significance of Difference of Cognitive Anxiety of Basketball Players at Different Time Durations Prior to Competition 110

31. Significant Differences of Paired Means of Cognitive Anxiety at Different Time Durations Prior to Competition of Basketball Players 111

xiv
List of Tables (cont’d.)

32. Significance of Difference of Cognitive Anxiety of Volleyball Players at Different Time Durations Prior to Competition 114

33. Significant Differences of Paired Means of Cognitive Anxiety at Different Time Durations Prior to Competition of Volleyball Players 115

34. Significance of Difference of Cognitive Anxiety of Track & Field Athletes at Different Time Durations Prior to Competition 118

35. Significant Differences of Paired Means of Cognitive Anxiety at Different Time Durations Prior to Competition of Track & Field Athletes 119

36. Significance of Difference of Cognitive Anxiety of Swimmers at Different Time Durations Prior to Competition 122

37. Significant Differences of Paired Means of Cognitive Anxiety at Different Time Durations Prior to Competition of Swimmers 123

38. Significance of Difference of Cognitive Anxiety of Gymnasts at Different Time Durations Prior to Competition 126

39. Significant Differences of Paired Means of Cognitive Anxiety at Different Time Durations Prior to Competition of Gymnasts 127
