ACKNOWLEDGEMENTS

It is my great pleasure to take this opportunity to thank the people who have contributed to my thesis, to my education and to my life. I wrote the thesis and realized just how deeply I am in debt to the people listed below:

I cannot express my gratitude in words or deeds to my supervisor, Dr. K. Muralidharan, Project Director i/c, Principal Scientist and Head, Crop Protection, Directorate of Rice Research, Hyderabad for providing the enthusiasm, inspiration and guidance throughout my research work and helping me complete this Ph. D Thesis. I am grateful to him for constant support, patience and encouragement over the years. I thank him for launching me on a journey of lifetime and this acknowledgement is a small tribute to the versatile person from one of those fortunate students.

I express my deep sense of gratitude to Prof. B. Prathiba Devi, Head, Department of Botany, Osmania University for constant support and encouragement, and providing all facilities. This thesis would not have materialized as it is but for her very constructive criticisms and comments on my research work.

I am grateful to Prof. Rana Kausar, Chairperson, Board of Studies in Botany, for her ceaseless kind help and guidance, and for facilitating me to complete the thesis in an orderly manner. Her words of appreciation on my work have inspired me to pursue research with total commitment.
I am indebted to **Prof Dr. K. Satya Prasad**, Department of Botany, Osmania University for motivating and helping me complete this thesis. His teachings and constant and repeated encouragement have made profound changes in me and infused in me the confidence to face the challenges and come out successfully.

I express my gratitude to **Dr. G.S.V. Prasad**, Senior Scientist (Plant Breeding) for helpful comments and advice in planning and execution of my field work. I express my gratitude to **Prof. N. Sarla**, National Professor (Biotechnology), for constructive criticisms and help in diversity analysis of rice varieties. It gives me immense pleasure in expressing my deep sense of gratitude to **Dr. M.S. Prasad**, **Dr. D. Krishanaven** and **Dr. G. S. Laha** Principal Scientists, Plant Pathology for constant support, help and encouragement. I wish to thanks **Ms. U. Mangala** and **Ms. S. Malathi**, and non-teaching staff at the Directorate of Rice Research, for their co-operation and help rendered in various ways.

I want to express my deepest appreciation to **MY PARENTS Mrs. Y. Venkatalakshmi** and **Mr. Y. Sambasiva Rao (Late)** without whom none of this would have ever been possible, I bestow my most revered regards. I thank my wife, **Y. Hemalatha**, sister **Shoba** and my brother-in-law **Mr. Y. Venkateswar Rao** for their constant affection, support and encouragement. I would like to thank all my other family members and friends who have not been specifically mentioned by their names, for their support in each and every way.

Y. Roseswar Rao
