Acknowledgments

I bow my head before Almighty GOD, The omnipotent, The omnipresent, The merciful, The most gracious, The compassionate, The beneficent who is the entire and only source of every knowledge and wisdom that enlighten my path and blessed me with the ability to achieve my goal successfully.

I take this opportunity to express my sincere gratitude and thanks to Dr. D. M. Sawant, my supervisor, Department of Pharmacy and Prof. R. T. Pardasani, joint-supervisor, Head, Department of Chemistry for guiding and handling the student like me. I sincerely thank them for all his guidance, support, enthusiasm, and motivation for my research studies who shaped my research problem and influential for my interest towards organic chemistry. He taught me everything he knows and always encourages me to think creatively and be prepared to learn new things. I am grateful to them for all the ways in which they has prepared me to move forward in my career and life and continuously encouraged me in all difficult times and for their perceptions and suggestions that helped me to improve wherever necessary.

I am also thankful to Central University of Rajasthan for providing me the platform. I would also like to express my profound gratitude towards Late Dr. Sunil G. Naik, former Dean, School of Chemical Sciences and Pharmacy (SCSP) and Head, Department of Chemistry, for giving intense care and encouragement to us in the department. His sincerity, patience and love would be reminisced forever in my life. I also acknowledge the present Dean Prof. Vipin Kumar and all faculty members, Department of Chemistry and Pharmacy for providing all necessary research facilities. I would also like to acknowledge our collaborators and various funding agencies, without which this task would have not been accomplished. I am also thankful to my DRC members Dr. Easwar Srinivasan, Dr. M. Bhanuchandra and Dr. Srinivasrao Yaragorla for their insightful comments and encouragement, but also for the hard question which incented me to widen my research from various perspectives.

I am really thankful to my lab members especially Dr. Shivani Sharma, Arshad J. Ansari and E. Sathish for their tremendous support and sharing the good and bad times during the work and providing a very friendly and joyful environment in the lab. Besides this, I also wish to appreciate the master’s students and juniors (Bhagyashree, Akhilesh,
Vaishali, Anand, Mahesh, Rajkumar, Manish, Rajni (The Elephant baby) Akansha, Payal, Naman, Prudhvi, Omprakash and Indu (Tension-free ladki) for their sincere involvement in the lab during the work. The time would be really miserable without the constant support and encouragement of my friends and colleagues in the department. I would always remember the help, motivation and care given by Shailesh Sharma, My batchmates, Abhishek, Seema, Farsa Ram, Surabhi, Tanveer and all my respected senior scholars especially Meeta Bhati, Deepak Badgurjar, Disha Soni, Dr. Preeti Maloo, Kanika Jain, Dr. Heena and Dr. Kishalay Bhar for their instant support and utmost care whenever needed. I am grateful for the wonderful time spent with my Cricket team where I played a lot cricket with joyful memories. I owe my thanks to all non-teaching staff of Department of Chemistry and Pharmacy for rendering a helping hand whenever needed.

Completion of doctoral degree would not have been possible without my family and friends supporting me along the way. My parents have always been enthusiastic about my education, even when they didn’t understand what exactly I was doing. I am forever grateful to my parents for giving me the freedom to find my own interests and goals and for supporting me unconditionally with so much love whose continuous encouragement and support have been a source of inspiration in completion of this task. I express my cordial thanks to my brother for his eternal love, prayer and motivation. They always sacrificed their personal life for my convenience and I feel I am truly deserved for it.

Finally, I thank to all my well-wishers whose names I may have failed to mention here unintentionally who has been a source of support and encouragement and help me to achieve my goal and complete my thesis work successfully.

Ramdas S. Pathare
