ACKNOWLEDGEMENT

The satisfaction that accompanies the successful completion of any task would be incomplete without the mention of the people who make it possible and whose constant guidance and encouragement crown all the efforts with success. The acknowledgement transcends the reality of formality when I would like to express my deep gratitude and respect to all those people behind the screen who guided, inspired and encouraged me to complete my work.

It is a great pleasure to owe my sincere appreciation and indebtedness to Dr. Joydip Mandal, Assistant Professor in Horticulture, Dept. of CIHAB, Palli Siksha Bhavana, (Institute of Agriculture), Visva-Bharati for his affectionate guidance, immense support, overwhelming encouragement, scholarly advice and constructive suggestions throughout the course of the research work. I was fully allowed to have necessary freedom to exercise thoughtful and scientific approach to the problems.

I express my sincere gratitude to Prof. G. N. Chattopadhyay, Soil Testing Laboratory, Palli Siksha Bhavana (Institute of Agriculture), Visva-Bharati for his valuable guidance, counsel, encouragement and valuable advice throughout the course of investigation.

I am extremely grateful to Prof. G. C. De, Principal, Palli Siksha Bhavana, for providing me all sorts of facilities during the experiment and also extending generous help.

I would specially like to thank Dr. Amitava Paul, Associate Professor and Head, Dept. of CIHAB for his valuable advices and co-operations during the course of investigation.

I express my sincere gratitude to Prof. P. S. Munsi, Prof. in Horticulture, Prof. P. C. Kole, Prof. in Genetics and Plant Breeding, Dr. Snehasish Chakraborty, Associate Prof. in Horticulture, Dr. N. R. Chakraborty, Assistant Professor in Genetics and Plant Breeding and Dr. Prahlad Deb, Assistant Professor in Horticulture, Dept. of CIHAB, Palli Siksha Bhavana (Institute of Agriculture), Visva-Bharati for their valuable suggestions during the work programme.

I express my sincere thanks to Dr. B. C. Roy, Associate Prof. in Agril. Economics, Dept. of EE5 and Dr. K. P. Pramanik, Assistant Prof. in Agronomy, Dept. of ASEPAK, Palli Siksha Bhavana, Visva-Bharati for their encouragement and valuable suggestions.

I am very thankful to Prof. K. Baral, Prof. in Entomology and Dr. B. Mandal, Assistant Prof. in Plant pathology, Dept. of Plant Protection, Palli Siksha Bhavana, Visva-Bharati for their kind attention and needful suggestions.

I would like to thanks Dr. Subrata Mandal, SMS, Agronomy, Mr. Sourav Mandal, SMS, Plant Protection and Ruma Di, Rathindra KVK for their kind co-operations during the work programme.

I am grateful to Dr. J. C. Jana, Dept. of Horticulture, UBKV, Pundibari for his valuable advices, scientific approaches and experts comments to complete this work programme.

I wish to convey my thanks to the Dr. Sanjib Mandal, Farm Overseer and members of the Horticulture Farm & Soil Testing Laboratory and also my well-wishers,
friends and brothers of Palli Siksha Bhavana (Institute of Agriculture) for their encouragement.

It is an excellent opportunity for me to express my deepest sense of gratitude to Prof. Pranab Hazra, Dept of Vegetable Crops and Prof. Asit Kumar Basu, Dept. of Seed Science and Technology, BCKV, Mohanpur for their constant guidance, outstanding planning, valuable suggestions and support to complete this work programme.

I express my sincere gratitude to late Prof. Debotosh Sanyal, for his encouragement, inspiration and guidance. I pray to god that his soul may rest in peace in heaven.

I wish to record my heart full thanks to Sri. Prasenjit De, Dr. Abira Banerjee, Dr. Gourab Roy, Dr. Asim Ghosh, Dr. Arindam Das, Dr. Swapan Koley, Dr. Sujit Mal, Dr. Saikat Gantait, Sahyadri Pal, Sougata Roy, Nirmalya Chakraborty, Prasun Kanti Ghosh, Santanu Ghosh, Joydev Fulmali for their inspiration and encouragement at various aspects.

I would like to express my heart full thanks to my friends late Rajesh Karar, Wasim Iftikar, Sanjit Maity, Surajit Bagdi, Biman Mal, Manas Kr. Mandal, Kaushik Mandal, Dr. Abhishek Naik, Dr. Shirin Akhtar, Ritam Ghosh and my juniors Anupam Mukherjee, Amal Kr. Bera, Abhisek Saha, Paritosh Patra, Sekhar Sing Mura, Soyeb Ali, Biplob Pati, Utpal Maji, Aliza Ahmad for their love, inspiration, encouragement and cooperation at various aspects.

I express my thanks to Senapati Bauri for his assured help during my field experiments with care, caution and confidence.

It is my great pleasure to have good friendship with Vinod Kumar Dhangrah, Research Scholar (Horticulture) of our university who supported me from the beginning till the end of my research programme.

I feel extremely pleasure to express my indebtedness to my reverend parents, Sri Chinmoy Ghosh & Smt Archana Ghosh and my elder sister Chayanika Niyogi, her husband Dr. Sobhan Niyogi and their cute daughter Sanchari for their silent prayer, blessing, as well as guidance, assistance, inspiration and sacrifice in prosecuting my higher study and accomplishing this research work.

Lastly, I have no adjectives to express my feelings for Miss Priyanka Biswas, Senior Research Fellow, Dept. of Vegetable Crops, Faculty of Horticulture, BCKV, Mohanpur, who continuously supported me throughout the research work.
