ACKNOWLEDGEMENT

It gives me unequivocal pleasure and words are inadequate to express my deep sense of gratitude to my research supervisor Dr. M.J. Umapathy, Ph.D., Lecturer (Senior Scale), Department of Chemistry, College of Engineering, Anna University Chennai for initiating me in to the enlightening field of phase transfer catalyzed polymerization. I am deeply obliged to him for his inspiration in pursuing the research work. His patient guidance helped me in every step of curving out my field of exploration.

My earnest thanks to Dr. V. Sadasivam, Professor and Head, Department of Chemistry, College of Engineering, Anna University Chennai for his help during the research period.

My wholehearted thanks to Dr. S. Nanjundan, Professor and former Head, Department of Chemistry, College of Engineering, Anna University Chennai for his suggestions and persuasions from the beginning till the completion of my research work.

My heartfelt gratefulness to Professor Dr. M. Palanichamy for his valuable suggestions.

My deep sense of gratitude to my parents-in-law Mr. S.V.S. Mani and Mrs. V. Rajalakshmi, my parents Mr. S. Jayaraman and Mrs. J. Poorna, my husband Mr. V. Ravishankar, daughter R. Shreshta and family members for all their untiring efforts in providing me the highest quality of education and encouraging me with affection.

I would like to express my sincere thanks to Mrs. T. Sunitha and Mr. K.S. Yoganand, research scholars for helping me in my work.

USHA. J
