

## **ACKNOWLEDGEMENTS**

It is indeed a great privilege for me in taking this opportunity to express my sense of gratitude and utmost regard to my advisor, well-wisher and guide, Dr. B. HARI BABU, Assistant Professor, Department of Chemistry, University College of Sciences, Acharya Nagarjuna University, Guntur, Andhra Pradesh, India, for his valuable guidance, inspiring advice and constant encouragement throughout the work.

I wish to express my sincere thanks to Prof. P.V.V. SATYANARAYANA, Retired Professor, Department of Chemistry, University College of Sciences, Acharya Nagarjuna University for his encouragement, guidance and valuable advices for completion of my work.

I am highly thankful to Prof. K.CHANDAN, Dean, faculty of Physical Sciences, Professor, Department of Statistics, Acharya Nagarjuna University.

I am also thankful to Prof. B. KESAVA RAO, Chairman, Board of Studies in Chemistry, Acharya Nagarjuna University for his encouragement.

I also express my sincere thanks to Dr. M. SUBBA RAO, Coordinator, Department of Chemistry, and I am also thankful to other faculty members of the Department for their constant encouragement.

I immensely thankful to Dr.Ch.Ramanamma, Principal, Government Degree College for Women, Chirala and Dr.Y.R.C.S Babu, Principal, SGK Government Degree College, Vinukonda for their kind co-operation and encouragement carrying out my research work.

I am also thankful to Teaching Staff and Non-teaching staff members of GDC, Chirala and GDC, Vinukonda Colleges.

It gives me a great pleasure in thanking all my fellow scholars. I am also thankful to Rainbow Labs, Hyderabad who had been helped instrumental support whenever needed.

I accolade my highest respect to my parents for their moral support.
