

## ACKNOWLEDGEMENTS

- I immeasurably thank **ALMIGHTY GOD** who blessed me with health and confidence to undertake and complete this work successfully.
  
- Words are insufficient to express my deep sense of thankfulness to my Honourable guide, **DR. V. ALDOUS. J. HUXLEY**, Assistant Professor & DST Young Scientist, Biotech Research Laboratory, Department of Zoology, Thiru. Vi. Ka Govt. Arts College, Thiruvarur -3, Tamilnadu, South India, for suggesting this particular research topic and guiding me throughout my project work with extensive discussions, dedicated and systematic scientific approach, expertise comments, constant encouragement, scholarly insight and friendly concern, which led to the fruitful completion of this thesis work.
  
- I express my hearty thanks to **Mrs. S. PAMELA**, former principal and **Dr. S. ANBALAGAN** principal (IC) of Thiru. Vi. Ka. Govt. Arts College, Tiruvarur, for providing space and adequate need in my work.
  
- With immense pleasure, I owe indebtedness and obligation to **DR. A. P. LIPTON**. Principal Scientist, CMFRI, Vizhinjam advising me in a proper way throughout my study period, constructive criticism at every stage which helped me to complete the thesis in time.
  
- I wish to record my sincere thanks to **DR. B. XAVIER INNOCENT**, Associate Professor, St. Xaviers College for his valuable suggestions and keen interest and encouragements. I express my whole hearted gratitude to **Dr. M. A. Haniffa**, Director, CARE, St. Xaviers College, **Dr. DUNGSTON P. AMPROSE**, Director, Entomology Research Unit, St.Xavier's College for their encouragement and possible help throughout this study.

- My special thanks to **Dr. S. SASIKALA**, Reader and **Dr. S. G. PRAKASH VINCENT** Reader, CMST, Manonmaniam Sundaranar University, Rajakkamangalam for their whole hearted support and encouragement during the course of this study.
  
- My special thanks to **Dr. S. RAMESH**, **Dr. R. S. PANDIAN** for their whole hearted support and encouragement during the course of this study.
  
- I gratefully acknowledge **Dr. J. SELVIN**, Professor and Head, Bioinformatics Department, Bharathidasan University, for providing valuable ideas and helping me to complete the thesis work.
  
- I express my hearty thanks to **Mr. P. SUTHAN** and **Mr. VICTOR JOSEPH** Research Scholars and **Mr. E. VANAGAMUDI**, Museum keeper, Thiru. Vi. Ka. Govt. Arts College, Tiruvarur, for their sincere help, co-operation and encouragements.
  
- I extend my sincere thanks to my beloved **PARENTS**, **FAMILY MEMBERS** and **FRIENDS** for their blessings, prayers, sincere help & encouragement to complete this PhD thesis.

**(T. S. Rejinie Mon)**
