

CONTENTS

Title	Page No.
Acknowledgement	iii
Abstract	iv
List of Tables	vii-x
List of Figures	xi
List of Abbreviations	xii
List of Appendices	xiii
1. Introduction	1-13
2. Review of Literature	14-32
2.1 Socio economic variables and cancer	15
2.2 Dietary profile and nutritional status of children and cancer	20
2.3 Food behavior, food faddism and cancer	27
2.4 Nutritional status and clinical outcomes of cancer in children	30
3. Methodology	33-47
3.1 Research design	34
3.2 Locale of the study	36
3.3 Selection of the subjects	36
3.4 Sample size	36
3.5 Tools and techniques	37
3.5.1 Suitable questionnaire cum interview schedule	38
3.5.2 Questionnaire cum interview schedule for food faddism	39
3.5.3 Nutritional status of the subjects	39
3.6 Data collection	44
3.7 Data analysis	46
3.8 Statistical analysis	47
4. Results and discussion	48-155
4.1 Socioeconomic profile of the subjects	49
4.1.1 Association of socioeconomic variables with type of cancer	55
4.1.2 Association of socioeconomic variables with outcomes	65
4.1.3 Association of socioeconomic variables with five year outcomes	69

4.2	Nutritional status of the subjects	75
4.2.1	Anthropometric measurements	75
4.2.1.1	Association of nutritional status with type of cancer	81
4.2.1.2	Association of nutritional status with outcomes	87
4.2.1.3	Association of nutritional status with five year outcomes	103
4.2.2	Dietary assessment of the subjects	106
4.2.2.1	Food groups intake	107
	(A) Association of food groups with type of cancer	108
	(B) Association of food groups with outcomes	112
	(C) Association of food groups with five year outcomes	122
4.2.2.2	Nutrients intake of the subjects	127
	(A) Association of nutrients intake with type of cancer	129
	(B) Association of nutrients intake with outcomes	133
	(C) Association of nutrients intake with five year outcomes	143
4.3	Assessment of Food faddism	149
4.3.1	Association of knowledge and restriction scores with outcomes	151
4.3.2	Association of knowledge and restriction with five year outcomes	153
5.	Summary and conclusions	156-167
6.	Bibliography	169-179
7.	Appendices	180-192
