ACKNOWLEDGEMENT

I wish to express my profound gratitude to my research supervisor Dr. M.Umapathy, Professor & Head, Department of Instrumentation and Control Engineering, National Institute of Technology, for his valuable support, useful discussions and excellent untiring guidance through the years.

The suggestions given by the Doctoral Committee members Dr. K.Sundareswaran, Professor, Department of Electrical and Electronics Engineering, National Institute of Technology and Dr. Ramakalyan Ayyagari, Asst.Professor, Department of Instrumentation and Control Engineering, National Institute of Technology were very helpful.

I extend my gratitude to Dr.P.Selvaraj, Chairman, JJ College of Engineering and Technology, Tiruchirappalli for giving me an active support.

I would like to express thanks to Mrs D. Ezhilarasi, Lecturer, NIT, Trichy for helping me to carrying out the research work. I am eternally indebted to Mrs. B.Vasuki, Ms. G.Uma, Faculty members, NIT, Trichy for their timely support and hospitality.

I am indebted to my father K.Subbu Maran and my mother S.Indirani for their timely reminders through the calendar days. Thanks are due to my close family members Mr M. Mangalanathan and Mrs M.Rajammal, Ramanathapuram and their families for their emotional support and refreshing company, which improved my efficiency.
