ACKNOWLEDGEMENT

The investigator at the outset wishes to acknowledge his immense gratitude and deep indebtedness to his supervising teacher, Dr. P.K. Sudheesh Kumar, Lecturer, Department of Education, University of Calicut, for his constant encouragement, neverfailing inspiration and generous help. The successful completion of this research report was the result of his meticulous, scholarly and expert guidance and diligence.

The investigator expresses gratitude to Dr. P. Kelu, Professor and Head, Department of Education, University of Calicut for providing necessary facilities in the department for the smooth conduct of the study.

The investigator profusely thanks Dr. P. Usha, Lecturer, Department of Education, University of Calicut for providing the tool for measuring Classroom Climate of Secondary School Pupils.

The investigator also likes to thank all members of staff, Department of Education, University of Calicut for their moral support and encouragement to carry out this study.

The investigator acknowledges with great pleasure the staff of CHMK library and departmental library of the Department of Education for their help and co-operation in utilising the facilities in the library.

The investigator extends his sincere thanks to the Heads, Teachers and Students of various institutions who have collaborated with the process of data collection for this study.

The investigator further expresses his heartfelt thanks to Sri. Hassan Koya, Research Scholar, Department of Education, University of Calicut, for his co-operation and assistance during data collection.

Finally the investigator likes to thank Sri. K. Balu for his sincere co-operation and neat typing of the work.

C.U. Campus, 9 - 8 - 2002
