ACKNOWLEDGEMENT

I am highly indebted to my supervisor, Dr. Inderjit Singh, Associate Professor, Government Bikram (P.G.) College of Commerce, Patiala, for guiding me patiently throughout the present research work. He encouraged me at every step during my Ph.D. His suggestions and instructions were extremely helpful in completing my research work.

I owe words of sincere thankfulness to the Head of the Department, Dr. Rajeev Kansal and the other distinguished members of the faculty, Dr. J. S. Pasricha, Dr. R. S. Arora, Dr. Rajinder Kaur, Dr. Navkiranjit Kaur and Dr. Jasmindeep Kaur for providing me all the facilities and invaluable critical inputs during the course of my Ph.D. research.

Further, I seek to articulate my sincere gratefulness to Dr. Manjit Singh, Professor, Department of Applied Management, Punjabi University, Patiala, whose role has been instrumental in this research work as he has motivated and guided me at every step throughout the course of this research work. He is predominantly responsible for steering my ship through the ocean of darkness in which I found myself when I commenced the research.

I would like to seize this opportunity to place on record my hearty thanks giving to Dr. Gurcharan Singh, Professor, University School of Management Studies, Dr. Rann Singh, Professor, University School of Management Studies, Punjabi University, Patiala for the perfect support and guidance they have extended to me for completion of my Ph.D.

My thanks are due to Dr. Balwinder Singh, Head, Department of Commerce and Business Management, Guru Nanak Dev University, Amritsar, Dr. C. P. Gupta, MDI, Gurgaon and Dr. Nitin Arora, Department of Economics, University Business School, Punjab University, Chandigarh, for giving me suggestions for the use of appropriate statistical techniques in the research work.

I shall be failing my duty if I do not put a word of gratitude and sense of profound indebtedness to my parents for their continuous encouragement and it is because of their blessings that I am able to complete this work. I would also like to acknowledge words of great gratitude to my wife, Arvind and children, Avneet and Manveer for their utmost sacrifice in sparing me the time I should have relished with them.

I must mention my deep sense of appreciation and of thankfulness for all the faculty members from the Department of Computer Science, Sikh National College, Banga, for their support in timely completion of every task requested of them towards the finalization of this
research work. I also extend my sense of thankfulness to my colleagues from Department of Commerce, Sikh National College, Banga for their enormous cooperation in the completion of this task.

I am also very grateful to Dr. Amandeep Singh, University School of Business Studies, Punjabi University Guru Kashi Campus, Talwandi Sabo, Dr. Devinder Kaur, Department of Commerce, Sikh National College, Banga for their support in editing and giving critical comments for improving the quality of this work.

I would also like to thankfully acknowledge the benign contributions of Mr. Ramandeep Singh, Punjabi University, Patiala towards the accomplishment of my objective.

My genuine feeling of thankfulness is also due to Mr. Aabid Vaqar, Head, Department of Computer Science, Sikh National College, Banga, Mr. Vishal Malhotra and S. Sukhdev Singh, Guru Nanak Dev University, Amritsar for their help in carrying out analysis on computer.

I also yearn to express my gratitude to my intimate friends and relatives for providing back-up at every step and listening me patiently throughout this period. I am thankful to S. Gurinder Singh, Gurnam Singh, Dr. Amarjit Gill, Vikas Deep, Gurwinder, Johny, Manjit Gautam, Harjot, Sunil, Daljit, Parmjit Sandhu, Jaswinder and Rajesh for their help in completing this work.

I am especially indebted to numerous scholars and friends with whom I shared my minute problems and queries for completing my research work. I would also like to state my earnest thankfulness to the UGC for giving me financial assistance in the form of minor project for completion of my Ph.D.

I cannot thank everyone enough for their involvement and their willingness to take on the completion of tasks beyond their comfort zones!

(Harvinder Singh)
