ACKNOWLEDGEMENTS

Words cannot express the author’s profound gratitude to his guide Dr. S. Rama Reddy, Professor, EEE Dept., Jerusalem College of Engineering, Chennai, for his personal interest, guidance and encouragement which have been the mainstay of this onerous task.

The author also expresses his deep sense of gratitude to Dr. M. A. Panneer selvam, Professor, Tagore Engineering college, Chennai, and Dr. G. Uma, Assistant Professor, Anna University, Chennai, for their guidance and spontaneous help throughout the course of research.

The author is deeply indebted to authorities of Jerusalem college of Engineering, Chennai and Anna University, Chennai for providing the necessary facilities for carrying out the research work.

Last but not least, the author acknowledges the moral support extended to him by his family members.

D. KIRUBAKRAN
