ACKNOWLEDGEMENT

I wish to express my sincerest, deep gratitude and foremost appreciation to Dr. S.K. Garg and Dr. Sachin Maheshwari my supervisors, for their invaluable advice, guidance, enthusiastic encouragement, feedback and support with patience and kind understanding throughout the period of my study. My heartfelt thanks are extended for their advice and guidance in keeping my progress on time after their busy schedules. They were kind enough to spare their valuable time at the institute as well at their home. They provided all possible support and constructive comments and suggestions for the research work.

I wish to thank Director, Institute of Nuclear Medicines and Allied Sciences-Delhi, Defence Research and Development Organization, Govt. of India, Dr Subash Khushu divisional head and workshop staff for their valuable technical support in fabrication and testing of the prototypes of the stretcher and multipurpose army field cot cum stretcher.

I would like to thanks to the higher officials of Army Medical Corp’s, Armed Forces and Allied Forces to provide their necessary inputs and advices as experts user domains. Finally, I wish to thank my family for their support and encouragement throughout my study.
