ACKNOWLEDGEMENT

I owe this work to the patient encouragement, invaluable guidance and suggestions of Prof. R.K. Mohanty, Department of Mathematics, University of Delhi, Delhi under whom I had the rare privilege of undertaking my research work. It gives me immense pleasure to acknowledge my deep gratitude to Prof. Mohanty - my learned and distinguished supervisor, who painstakingly supervised my work throughout.

I express my gratitude to Prof. B.K. Dass, Head, Department of Mathematics, Faculty of Mathematical Sciences, University of Delhi for providing the right academic environment during the course of this work.

I am thankful to Dr. Kalpana Bhrara, Principal, Aditi Mahavidyalaya for her motivation and unfailing support for my research work.

I would like to express my heartfelt thanks to my parents who succeeded to develop in me a spirit of devotion and perseverance since my childhood, which helped me a lot in pursuing my research work.

I cannot find words to express my gratitude to my husband Dr. Swarn Singh for constructive discussions and for fostering a productive environment. This research work would not have been possible without his tremendous support. I also appreciate the understanding shown by my son Nimish and daughter Nandini who had to forego my attention and care during the course of my research work.

Finally, I am thankful to The Almighty for His blessings.
