

## ACKNOWLEDGEMENTS

It is a delight to acknowledge those who have supported me over the years. I owe my deepest gratitude to my supervisor, Professor R.P. Rana, Department of History, University of Delhi. With his technical expertise and vast knowledge in diverse fields, he enabled me to plan, execute and complete the present work. I sincerely thank him for introducing me to the vast untapped treasure trove of medieval Rajasthani literary sources. Throughout the period of my research his encouragement, advice, suggestions and comments were invaluable.

I would like to thank Professors Shahid Amin, T.K.V. Subramaniyan and S.Z.H. Jafri for their co-operation and support. I express my sincere gratitude to Professors B.P. Sahu and R.C. Thakran not only for their sustained interest in my work and for providing constructive criticism but also for helping me to cope with the various difficulties especially in the last phase of the completion of this thesis. My special thanks are due to my colleagues in the Department of History at the Motilal Nehru College, University of Delhi.

I gratefully acknowledge the assistance and co-operation extended by the officials and staff of the National Archives of India (New Delhi), Rajasthan State Archives (Bikaner), the Nehru Memorial Museum and Library (New Delhi), Central Secretariate Library (New Delhi), the Indian Council of Historical Research Library (New Delhi), Central Reference Library (University of Delhi) and Motilal Nehru College Library (University of Delhi).

Some people made the journey easier with words of encouragement, others simply by their presence. I express my deepest gratitude to my maternal grandmother Smt. Parvati Devi who taught me the strength of perseverance and patience. Though you left for the heavenly abode on 14<sup>th</sup> May, 2012, you will always remain a source of courage and inspiration for me. From you I have imbibed to remain calm, composed and serene in difficult times. I will always cherish your fond memories and you will remain by my side as my guiding angel.

I express my heartfelt gratitude towards my parents, Shri Sahib Ram Sahu and Smt. Santosh Sahu, who always stood by me through all the ups and downs of life. In fact, this thesis is the outcome of fulfilling their wish. I also thank my father-in-law, Shri Bhim Singh Malik and mother-in-law, Smt. Krishna Malik for their constant encouragement. This thesis could not have been completed without the constant encouragement extended by my sister Manisha and brother-in-law Rajeev Singh. My brother Rajendra and sister-in-law Manisha always boosted my morale.

The greatest contribution in the pursuance of my work goes to my husband Dr. Ashok Malik. I express my heartfelt acknowledgement for his patience, co-operation and moral support. Above all the love, affection and patience exhibited by my sons Abhishek and Abhik ought to be acknowledged the most. Without their co-operation, this thesis would have been unimaginable. The best wishes of my nephews Vansh Deep, Utkarsh and Vyom Dev and niece Jeevantika have enabled me to accomplish this work on time. I acknowledge the love and co-operation of all my family members and friends.
