ACKNOWLEDGEMENTS

Thanks to Almighty God the Beneficent, the merciful with the blessings of whom this cherished work of mine led to completion with the desired outcome.

My sincere thanks and a deep sense of gratitude are due to my supervisor Dr. Poonam Singh, Professor and Head of the Department of Economics, Government P. G. College, Noida for her scholarly guidance, patient discussions on the research problems and a correct approach to the subject. Without her proper guidance, I would not have completed this work.

My sincere thanks are due to Professor A.K. Mittal, Department of Economics, AMU Aligarh for providing me with necessary help and encouraging me throughout. My sincere thanks are also due to Dr. A. K. Tomar for his encouragement and affection.

Sincere thanks are also due to the librarian, C. C S. University, Library, AMU, Aligarh and Center or Advanced Studies Library, AMU, Aligarh.

I am also thankful to the office staff members of the department of Economics, Govt. P. G. College, Noida who helped me throughout, I am thankful to my typist for helping me overcome technical problems.

Last but not the least I bow my head in reverence to my Parents and my brothers and sisters who provided me with their unconditional love and affection and gave me strength to overcome my routine problems. I shall always be indebted to my friends who were my stress busters amid always provided a comfortable and congenial atmosphere around me.
