4.2 Design and Implementation of selected Strategies 120
4.3 Development and implementation of Participant Observation Schedule 121
4.4 Development and Implementation of Strategy evaluation Proforma 122
4.5 Design adopted for the qualitative study 125
4.6 Distribution of the total sample for survey 126
4.7 Breakup of the sample for Experimental study 127
4.8 Variables of the Experimental study 129
4.9 Acronym of SCAMPER Technique 139
4.10 Sessions of SWOT Analysis Template 144
4.11 Format of SWOT Analysis Template 147
5.1 Mean of the Post test Scores of Experimental group I and Control group for whole Sample 186
5.2 Mean of the Post test Scores of Experimental group I and Control group for Male teacher 190
5.3 Mean of the Post test Scores of Experimental group I and Control group for female teachers 194
5.4 Mean of the Post test Scores of Experimental group I and Control group for rural schools 197
5.5 Mean of the Post test Scores of Experimental group and Control group for urban schools

5.6 Mean of the Pre-test Scores of Experimental Group I and Control group with regard to Government Schools

5.7 Mean of the Pre-test Scores of Experimental group I and Control group with regard to Aided Schools

5.8 Mean of the Pre-test Scores of Experimental group I and Control group with regard to Unaided Schools

5.9 Mean of the Post test Scores of Experimental group I and Control group with regard to Government Schools

5.10 Mean of the Post test Scores of Experimental group I and Control group with regard to Aided Schools

5.11 Mean of the Post test Scores of Experimental group I and Control group with regard to Unaided Schools

5.12 Mean of the Post test Scores of Experimental group II and Control group for whole Sample

5.13 Mean of the Post test Scores of Experimental group II and Control group for Male teachers

5.14 Mean of the Post test Scores of Experimental group II and Control group for female teachers
5.15 Mean of the Post test Scores of Experimental group II and Control group for Rural schools

5.16 Mean of the Post test Scores of Experimental group II and Control group for Urban schools

5.17 Mean of the Pre-test Scores of Experimental group II and Control group with regard to Government Schools

5.18 Mean of the Pre-test Scores of Experimental group II and Control group with regard to Aided Schools

5.19 Mean of the Pre-test Scores of Experimental group II and Control group with regard to Unaided Schools

5.20 Mean of the Post test Scores of Experimental group II and Control group with regard to Government Schools

5.21 Mean of the Post test Scores of Experimental group II and Control group with regard to Aided Schools

5.22 Mean of the Post test Scores of Experimental group II and Control group with regard to Unaided Schools

5.23 Mean of the Post test Scores of Experimental group III and Control group for whole Sample

5.24 Mean of the Post test Scores of Experimental group III and Control group for Male
5.25 Mean of the Post test Scores of Experimental group III and Control group for Female 243
5.26 Mean of the Post test Scores of Experimental group III and Control group for Rural schools 247
5.27 Mean of the Post test Scores of Experimental group III and Control group for Urban schools 251
5.28 Mean of the Pre- test Scores of Experimental group III and Control group with regard to Government Schools 253
5.29 Mean of the Pre- test Scores of Experimental group III and Control group with regard to Aided Schools. 253
5.30 Mean of the Pre- test Scores of Experimental group III and Control group with regard to Unaided Schools 254
5.31 Mean of the Post test Scores of Experimental group III and Control group with regard to Government Schools 256
5.32 Mean of the Post test Scores of Experimental group III and Control group with regard to Aided Schools. 256
5.33 Mean of the Post test Scores of Experimental group III and Control group with regard to Unaided Schools. 257
5.34 Mean of the Post test Scores of Experimental group IV and Control group for whole Sample 261
5.35 Mean of the Post test Scores of Experimental group IV and Control group for Male

5.36 Mean of the Post test Scores of Experimental group IV and Control group for Female

5.37 Mean of the Post test Scores of Experimental group IV and Control group for Rural schools

5.38 Mean of the Post test Scores of Experimental group IV and Control group for Urban Schools

5.39 Mean of the Pre-test Scores of Experimental group IV and Control group with regard to Government Schools

5.40 Mean of the Pre-test Scores of Experimental group IV and Control group with regard to Aided Schools

5.41 Mean of the Pre-test Scores of Experimental group IV and Control group with regard to Unaided Schools

5.42 Mean of the post test scores of experimental group IV and control group with regard to Government schools

5.43 Mean of the post test scores of experimental group IV and control group with regard to Aided schools

5.44 Mean of the post test scores of experimental group IV and control group with regard to Unaided schools
5.45 Mean of the Post test Scores of Experimental group I, II, III, IV and Control group.
