Acknowledgement

First and foremost I would like to thank the Almighty for bestowing me His mercy and blessings.

With sincere regards and tributes to Late Sir Syed Ahmad Khan, the founder of this prestigious institution, the Aligarh Muslim University, Aligarh.

I would like to express my deeply felt thanks, profound sense of gratitude and sincere esteem to my supervisor Dr. Akram Javed (Associate Professor), who inspired and guided me with his keen inspection, constructive criticism, valuable suggestions and incredible perspicacity throughout my research. Devoid of his assistance and insights, this endeavor might have never come into shape. In actual words, he is a true mentor. It was indeed a pleasure and honor for me to work under such an esteemed and experienced supervision. I am eternally grateful to him for giving me special quality of constant encouragement, showing great optimism and faith in my abilities and giving advice from time to time. I am one of the donees of his support and encouragement.

I would like to take the opportunity to thank Dr. L A K Rao, present Chairman, Professor Mahshar Raza and Dr. Shadab Khyrshid former chairman, Department of Geology, Aligarh Muslim University, Aligarh, for providing me the various facilities during the course of my research work. Valuable suggestions and encouragement provided by Dr. Shadab Khyrshid on collection of water samples and their analysis are gratefully acknowledged.

I also extend my profound sense of gratitude to Dr. Taqveem Ali Khan Department of geology, for his valuable guidance, discussions and suggestions especially on water sample analysis. It gives me colossal pleasure and opportunity to thank many people who have taught me Geology and other subjects at various levels of my education.

I also acknowledge the Remote sensing Centre, Aligarh Muslim University, Aligarh for providing topographic maps.

I would also like to thank NRSA, Hyderabad, for providing satellite data, IMD, Pune, for giving meteorological data, various offices of Singrauli district for rendering ancillary data and ASTER website for downloading digital elevation data as ASTER tile.

I would also like to thank NCL for providing relevant data, Support, and logistics during the field visit carried out in and around the Singrauli Coalfield (NCL).

I wish to express my sincere thanks to Mr. Aejaz Ahmad (superintendent engineer NCL) and his wife for their encouragement, love and company during field visit.

I wish to express my sincere thanks to my lab Seniors Dr. M Y Khanday (Geologist, GSI) and Dr. Mustaq Hussain Wani (Lecturer) for their help in using various softwares, providing relevant literature, fruitful discussions suggestions and encouragement during different stages of my research.

I owe special thanks to lab colleague especially Sayema Jamal for her fruitful discussions, critics and suggestions. Nazia Khan, Subah Raiss, Bhavnash Kumar and Firdous Ahmad Dar are also acknowledged for their constant support, valuable suggestions, and company during the course of this research work.

I also wish to express special thanks to Sana Iftikhar for her discussions, suggestions and help in Statistical analysis of climate data.

I want to thank my Seniors, friends and Juniors in the department who supported me directly or indirectly Dr. Hamidullah (Lecturers), Dr. Mohd Abdulllah Khan (Assistant professor), Mr. Nehal Warsi (Geologist), Dr. Haris Hassan Khan (Assistant professor), Dr. Akhtar rasool Mir, Dr. Bilal Ahmad Baht, Dr. Zahoor ul islam, Dr. Manzoor, Dr. Abirou Habib, Mr. Habib-u-Rahman (Geologist), Mr. Hamid Zafar, Mr. Sajad Ahmad wani, Mr. Zubair Butt, Mr. Arshad Amin, Mr. Shamsah, Mr. Zameer Ahmad shah, Mr. Javeed Ahmad Gahani, Mr. Sadiq Ahmad, Mr. Tauheed Ahmad Khan, Mr. Faizl Mir, Mr. Himanshu, Mr. Ashiq Hussain Mir and Mr. Muzafar Ahmad sheikh for their cooperation and support. I may not remember the names of all
the persons who in one way or the other helped me during my studies but I am thankful to them and obliged to all of them.

I also express my thanks to non-teaching staff especially Dr. Shakeel Ahmad (St. Geochemistry Lab), Mr. Sarfaraz Ahmad Khan, Mr. Zulfiqar Ahmad for their help and constant encouragement extended to me during my research work.

Remote sensing and GIS facilities established in Remote sensing and GIS lab under DRS-1 programme of UGC are thankfully acknowledged.

I wish to express my sincere thanks to my M.Sc Classmates especially Mr. Shameem Ahmad Dar, Mr. Sajad Hussain Bhat, for their support, encouragement throughout the course of this research programme. Thanks are also due to Mr. Farooq Ahmad Dar, Mr. Iqbal Malik, Ms Sara qazi, Mr. Abid Hussain, Mr. Jahangir, Mr. Riyaz Ahmad Dar, Mr. Mukhtar, Mr. Tariq for their valuable suggestion and support.

I would also like to offer my sincere thanks to some of my friends which are with me from more than a decade particularly Advocate. Omais Kawos, Mr. Suheel Amin Turay, Er. Shoiab Rehman, Mr. Ejaz Ahmad, Advocate Ajaz Ahmad Malik, Mr. Tariq Ahmad Bhat and Mr. Mudasir Alam Wani, for their valuable day-to-day support throughout this work whenever needed.

The financial assistances received from the University Grants Commission as non-NET fellowship is sincerely acknowledged.

I would also like to express my sincere thank Mr&Ms Abdul Hamid Bhat (Bada dady & bade mama), Mr. Aamr Hamid Bhat, Dr. Nousheen Hamid and Ms. Misba Hamid for their keen love, support, suggestion, advice and care particularly during my stay at Aligarh Muslim University that helped me to imbibe courage and determination to face the realities of life.

Special thanks are due to my uncles/aunts Mr. Imtiyaz Ali Khan, Mrs. Nelofer Khan and Mr. Sajad Ali Khan, Mrs. Rphana Khan for their care, affection and love in one and other way.

I also express my thanks to Cousins Mr. Burhan-u-din Khan, Mr. Inam Khan and Mr. Wafa Khan for their love and support at my home whenever I need.

I don’t have suitable words that can fully describe my thanks to my dearest Grandparent late Ali Mohammad Khan (Papa) and Zaniab Khan (Mama) for their everlasting love, Duas, and care which they provided me since the first day at my school till today. May Allah rest his soul in peace (Aameen) and shower his mercy and blessing to my grandmother.

I also express my sincere thanks to my maternal grandparent late Gulam Qadir Khan (Abba) and Mrs. Zubaida Khan (Nane) for loving and caring me always.

I feel privilege in expressing my sound sense of gratitude and Indebtedness with great honor to my dearest Uncle/Guru Mr. Mohd Maqbool Mir for his guidance, care, love in every step of life when I feel helpless and the time he utilized for solving my problems is something which I can’t express in words. Thanks are due to Ms. Raja Bano (Booba), Mr. Fayaz Ahmad Mir, Mr. Manzoor Ahmad Mir and their family, kids Tabish, Sauhalena, Murtaza for their love and care.

I also express my deepest gratitude to my affectionate parents for their indefatigable care and support throughout my life. I am grateful to my father who worked tirelessly throughout his life to support the family and spared no efforts to provide the best possible environment for my upbringing. I find no words to describe affection of my beloved mother (Jage) for me. I express my sincere thanks to my younger brother Mr. Amjad Khan and Mr. Ikhanan Manzoor for taking all the responsibility and never give me a chance to remind them about any work assigned. It is all due to the sacrifice of my family that made the completion of this work possible.

I once again thank my father mother and my brothers for the love, care and affection they have for me always.

Imran Khan
